Steps for CCSP Eligibility Screening Step 1: If you want to request CCSP services, contact your Area Agency on Aging (AAA) for an assessment. The toll-free, statewide phone number is 866-55-AGING (866-552-4464). Step 2: If the screening shows that you need a nursing home level of care and you are financially

Community Care Services Program - Georgia Medicaid
A Medicaid waiver provides recipients certain services not normally covered by Medicaid for a person with intellectual, developmental, physical disabilities. These services can take place in the person's home or in the community. The Elderly and Disabled Waiver Program (formerly CCSP) serves frail, elderly, and disabled Georgians. It provides coordinated services in their home or community.

CCSP Experience Requirements. Candidates must have a minimum of five years cumulative paid work experience in information technology, of which three years must be in information security and one year in one or more of the six domains of the CCSP CBK. Earning CSA's CCSK certificate can be substituted for one year of experience in one or more of the six domains of the CCSP CBK.

CCSP Experience Requirements - (ISC)²
CCSP is a program designed to help frail older adults remain living in their own homes or communities and to receive services in those locations as an alternative to nursing homes. Sometimes referred to as a nursing home diversion program, this type of program helps the state keep nursing home costs low and is generally preferred by families.

Georgia Medicaid Elderly & Disabled Waiver / CCSP
CCSP is listed as a 40-hour course, so you should be taking home roughly 35 CPE's. Of note for current CISSP's is that future CPEs earned apply to both the CISSP and CCSP designations. Keep in mind-the CSA's CCSK can be substituted for one year of experience in pursuit of the (ISC) 2 CCSP Certification.
