Calling Crow searches for his wife, kidnapped by a vindictive Spanish priest. Captured and wounded by another tribe, he is dragged from death's door by a woman he will grow to love. Adopted by the Coosa, he becomes their chief. French Protestant colonists settle to the North. Then the Spanish Catholics return to the lands they claimed as their own, bringing Calling Crow's wife with them. The two European groups learn of each other's presence and make war plans. Now Calling Crow must ensure that the coming battle doesn't destroy the people he has grown to love, and his two women, one of whom he must choose.

Where there's a symptom, there's also a homegrown cure. With just a windowsill, container, or small space, it's easy to grow an instant herbal remedy. Whether it's a cough, heartburn, joint pain, or neuralgia, readers will discover how easy it is to treat 40 ailments and conditions using herbs and herbal preparations they grow and make themselves. With inspiration found in science, tradition, and modern herbalistic practices, *Grow It, Heal It* touts the healing power of more than 50 herbs—from anise hyssop to yerba mansa. Two of the nation's premiere herbalists share growing, harvesting, and healing advice in this easy-to-use and friendly guidebook for herbal newbies, featuring teas, tinctures, salves, poultices, compresses, and aromatherapy. Among the many benefits of growing do-it-yourself remedies, readers will discover the convenience of preparing healing potions and salves when they're most needed; the advantage of having organic, fresh, and high-quality herbs they've nurtured themselves; and how empowering it is to engage in self-care and why that's important to the healing process. Growing herbs at home allows readers to take an active role in their own health care.

Expanded and revised, the Second Edition of the Algebra Survival Guide unleashes its power for a new generation of students. Now that the Common Core Standards have changed how math is taught, this 2nd edition aligns its content to these broad new guidelines. The new Edition also adds advanced content. In its XTREME ALGEBRA section, the new edition tackles the topics of Functions, Inequalities and the Advanced Coordinate Plane, and it teaches story problems in all three areas. These additions update the book for today's elementary and secondary students; they also provide additional support for adults taking algebra in their return to college. Plus, with its newly expanded index and glossary, the 2nd Edition makes all of its content easy to find. The book retains the cartoons, analogies and conversational format that brought out praise from all corners and garnered the book both a Parents Choice Commendation and a Golden Porch Award for pedagogical excellence.
