For almost 20 years and under its previous title as the Lloyds TSB Small Business Guide, this book was the start up bible for over a million people. Last year this bestselling guide was rebranded as the FT Guide to Business Start-Up. The ever valuable FT branding has catapulted this already successful book even higher in the charts. The FT Guide to Business Start Up remains the only small business guide to be updated annually, making it the most up-to-date resource and reference book for anybody serious about starting and growing their own business. The fully updated 2006/2007 edition of the FT Guide to Business Start Up takes you quickly and simply through finance, tax and law. This edition has been completely revised to reflect the latest financial and legal changes in employment law regulations and budget changes for Tax and VAT. This essential guide also offers valuable advice on all of the crucial areas of running a business, and this advice has also been fully updated to reflect today's business environment.

'As comprehensive an introduction to setting up a business as anyone could need.' The Daily Telegraph 'The Wisden of the small business world, threaded through with common sense practical advice.'
