On Divine Tradition is one of the most important theological texts dealing with the notion of Tradition in the Church. Unlike other authors who wrote very well on the subject but tailored it to the issues of their day, such as Melchior Cano and St. Robert Bellarmine, Cardinal Franzelin wrote a treatise considering tradition in itself, and then applied the fruit of this discussion to refute the Protestant notion that Tradition is opposed to Scripture. Thus, in 26 Theses, Franzelin explains for us the notion of Tradition, where we see tradition in history; how Scripture is also a witness to it; that Christ founded a living magisterium of witnesses to guide His Church; what is infallibility and how do we see it exercised; what are the monuments; what is the authority of the Fathers of the Church as well as the Theologians? What do we make of St. Vincent of Lerin's definition, always, everywhere and by all? Questions such as these, are treated in depth in a serious theological study considered to be classical in theological studies, which set the discussion for every other writer on the topic, even after Vatican II. Hitherto locked away in Latin, Ryan Grant (Director of the Bellarmine Translation Project) has rendered them into a good, readable English while preserving the scholastic and Thomistic language of the original, having given a great contribution to Theology which for too long has been impoverished on account of being cut off from its Latin patrimony.

Manual and Prayers for the Auxilium Christianorum.

The text is a first in a series of books on the science of mental health (psychology) based upon Thomistic philosophy and theology. The book includes a discussion of the faculties of man and the natural law.

A study of the object and nature of Sacred Tradition and the moral requirement of Catholics to accept the Sacred tradition.

Satan is always at work breeding sadness and anxiety while providing obstacles that prevent souls from making spiritual progress. In this concise yet powerful book, author Dan Burke presents the venerable, time-tested wisdom of Catholic mystics to help you understand the influence of the Enemy on your mind and heart, and the tactics you need to combat him. With St. Ignatius as his guide, Burke presents here an indispensable, authoritative manual for engaging in daily battle with the Adversary—combat that is both inevitable and winnable. Burke will help you recognize the ebbs and flows of consolation and desolation, and distinguish between the voices of God and of Satan. Best of all, you'll come to see the spiritual life not as a science to be learned, but as an intuitive art to be practiced as you move with increasing success from habitual sin to sanctity. The battle for our

souls is unavoidable. The saints won theirs by learning how to be spiritual warriors and by recognizing that we become stronger through battle and grow weaker from avoidance. With this book as your guide, you'll grow in strength and contentment as you learn: -How to take captive every negative thought and make it obedient to Christ -St. Ignatius's revelations exposing how the Devil seeks to influence us -The Paradigm of Ascent and the Five Steps to Sanctity -The three ways you can discern "Good Spirits" from "Bad Spirits" -The three principal causes of desolation—and what you must do when it afflicts your soul -Proven methods for moving away from sin and toward self-giving love of God and neighbor.

A fierce war rages for your soul. Are you ready for battle? Like it or not, you are at war. You face a powerful enemy out to destroy you. You live on the battlefield, so you can't escape the conflict. It's a spiritual war with crucial consequences in your everyday life and its outcome will determine your eternal destiny. You must engage the Enemy. And as you fight, you need a Manual for Spiritual Warfare. This guide for spiritual warriors will help you recognize, resist, and overcome the Devil's attacks. Part One, "Preparing for Battle," answers these critical questions: • Who is Satan, and what powers does he have? • What are his typical strategies? • Who fights him alongside us in battle? • What spiritual weapons and armor do we possess? • How do we keep the Enemy out of our camp? Part Two, "Aids in Battle," provides you these essential resources: • Teaching about spiritual warfare from Scripture and Church documents • Scripture verses for battle • Wisdom and inspiration from saints who fought Satan • Prayers for protection, deliverance, and victory • Rosary meditations, hymns, and other devotions for spiritual combat St. Paul urges us to "fight the good fight of the faith" (1 Tim 6:12). Take this Manual for Spiritual Warfare with you into battle. The beautiful Premium UltraSoft gift edition features sewn binding, ribbon marker and silver edges.

A reprint of three articles from Christian Order addressing the nature and limits of Magisterial Authority. The Book also contains principles in relation to judging contradictory magisterial statements as well as how one should approach an erring magisterial member.

Demons wage war against families because families are vital to God's plan of salvation. This stark reality requires that your family members become well-trained spiritual warriors who actively secure your home and fight to keep it off-limits to demonic activity. In A Family Guide to Spiritual Warfare, Kathleen Beckman offers you potent advice from her 12 years of active participation on an exorcist's team. She shows you how to "clean up" your household by cultivating in your family a civilization of love – and how to withstand the spiritual attacks that inevitably come to destroy the harmonious family life you create. Beckman reveals how you can recognize diabolical disguises in your home and offers proven means of

protection found only in the Church's arsenal of spiritual weapons. You'll also learn the devil's strategies – how he does not necessarily seek to possess but simply to seed your family with the venom of hatred, desolation, envy, and vice. This, she explains, is why it's so important for spouses and children to become schooled in the art of spiritual combat. It's the only way you can destroy the works of the devil and unmask the hidden evil that weaves in and out of your daily family life. Along with more than two dozen effective prayers for family healing and deliverance, you'll also learn: How to understand the spirits working for – and against – your family, and what to do in response to them What specific actions to take if you believe your family has come under the influence of demonic activity How to use your baptismal, spousal, and parental authority in spiritual warfare How curses can become effective – and what can be done to counteract them The difference between diabolical temptation, oppression, obsession, and possession The seven ways your family can wear the full armor of God The diabolical counterparts to each of the Ten Commandments and the Beatitudes The 13 weapons you can use to defend yourself and your family against evil spirits
