inspiring adventure of the moon landing. It is a captivating celebration of one of humankind's greatest technical achievements and most extraordinary feats of exploration. The Apollo 11 astronauts have prepared carefully for their attempt to be the first men to land on the moon. The young narrator of this book has prepared carefully, too: he explains the design of the spacecraft, the flight from the earth to the moon, and the drama of touching down--while shadowing the astronaut's voyage with one of his own.

A guide to buying a used car or minivan features information on the strengths and weaknesses of each model, a safety summary, recalls, warranties, and service tips.

"This beautifully illustrated, oversized guide to the people and technology of the moon landing by award-winning author/illustrator John Rocco is a must-have for space fans, classrooms, and tech geeks"--
