Flip Flippen is the most influential man you've never heard of. This personable Texan is the founder of The Flippen Group, one of the fastest-growing corporate and personal training companies in America, and his philosophy has touched the lives of some of the most powerful individuals in the country--from Wall Street leaders to top sports figures like Terry Bradshaw and his NASCAR team, and from Joel Osteen's team at Lakewood Church to the 150,000 people who trained with Flip's company in 2005. Great advice for everyone, but particularly appealing to those who are taking stock of what they want to do with the rest of their lives, Flippen's approach is surprisingly simple. Flippen has created a simple process to help readers find their greatest constraint (the results may be surprising!) and build a plan to help "flip" that weakness into a newfound strength.

They contend with conditions and abuses that violate human rights. The report includes specific recommendations for reform addressed to employers, to federal and state legislators, and to federal and state labor law enforcement agencies.
