A Perfect Spy is a semi-autobiographical work written in first- and third-person narration. The author, John le Carré, formerly worked for MI6, the British government's secret intelligence service,...

From the New York Times bestselling author of A Legacy of Spies. Over the course of his seemingly irreproachable life, Magnus Pym has been all things to all people: a devoted family man, a trusted colleague, a loyal friend—and the perfect spy. But in the wake of his estranged father’s death, Magnus vanishes, and the British Secret Service is up in arms. Is it grief, or is the reason for his disappearance more sinister? And who is the mysterious man with the sad moustache who also seems to be looking for Magnus? In A Perfect Spy, John le Carré has crafted one of his crowning masterpieces, interweaving a moving and unusual coming-of-age story with a morally tangled chronicle of modern espionage.

Magnus Pym, Britain’s premier spy, has vanished -- sending intelligence communities on a frenzied international manhunt. As the search plays out, so does a chain of clandestine operations surfacing in Washington, Vienna, Prague, London, and Berlin. But the most powerful drama of all comes from exploring Pym’s background -- his education as a spy, and the spectacular motives and mentors who transformed him into a master of guile and deception.

"The best English novel since the war" Philip Roth Magnus Pym - ranking diplomat, consummate Englishman, loving husband, secret agent - has vanished. Has he defected? Gone to ground? As the hunt for Pym intensifies, the secrets of his life are revealed: the people he has loved and betrayed, the unreliable con-man father who made him, the two mentors who moulded and shaped him, and now wish to claim this perfect spy as their own. Described by le Carré as his most autobiographical novel, A Perfect Spy is a devastating portrayal of a man who has played different roles for so long, he no longer knows who he is. "Le Carré understood that espionage is an extreme version of the human comedy, even the human tragedy. A Perfect Spy will very likely remain his greatest book" New Yorker

A BBC Radio 4 full-cast dramatisation of the bestselling novel by John le Carré, starring James Fox, Harriet Walter and Julian Rhind-Tutt. Magnus Pym, Counsellor at the British Embassy, is hosting a dinner party at his home in Vienna when he receives an unexpected telephone call that will profoundly affect his life. Once the guests have gone, Pym breaks the news to his wife, Mary: his father, Rick, is dead. In a state of shock, he says something Mary cannot understand - 'After all these years, I'm free.' Magnus flies back to England to attend the funeral - and doesn't return. As Mary and MI6 spymaster Jack Brotherhood desperately try to find out his whereabouts, it soon becomes clear that Pym has been keeping secrets from both his family and his employers, the British Intelligence Service. Hiding out in a remote cottage in Devon, where he goes by the name of Mr Canterbury, Magnus begins to write his memoirs - retracing his rise and fall and revealing how Rick led him step by step into a double life of deception, broken promises and betrayal... Adapted from the John le Carré novel by Rene Basilico.

Three more great ones from this incomparable international bestseller who is regarded by many as the father of the spy novel. This hardcover trilogy features three of the masters most exciting and best-selling stories: The Russia House, The Secret Pilgrim. and A Perfect Spy. A perfect set-up for his millions of fans.

From the New York Times bestselling author of A Legacy of Spies. The man he knew as "Control" is dead, and the young Turks who forced him out now run the Circus. But George Smiley isn't quite ready for retirement—especially when a pretty, would-be defector surfaces with a shocking accusation: a Soviet mole has penetrated the highest level of British Intelligence. Relying only on his wits and a small, loyal cadre, Smiley recognizes the hand of Karla—his Moscow Centre nemesis—and sets a trap to catch the traitor. The Oscar-nominated feature film adaptation of Tinker Tailor Soldier Spy is directed by Tomas Alfredson (Let the Right One In) and features Gary Oldman as Smiley, Academy Award winner Colin Firth (The King’s Speech), and Tom Hardy (Inception). With an introduction by the author.

From the New York Times bestselling author of Tinker, Tailor, Soldier, Spy; Our Kind of Traitor; and The Night Manager, now a television series starring Tom Hiddleston. As the fall of Saigon looms, master spy George Smiley must outmaneuver his Soviet counterpart on a battlefield that neither can afford to lose. The mole has been eliminated, but the damage wrought has brought the British Secret Service to its knees. Given the charge of the gravely compromised Circus, George Smiley embarks on a campaign to uncover what Moscow Centre most wants to hide. When the trail goes cold at a Hong Kong gold seam, Smiley dispatches Gerald Westerby to shake the money tree. A part-time operative with cover as a philandering journalist, Westerby insinuates himself into a war-torn world where allegiances—and lives—are bought and sold. Brilliantly plotted and morally complex, The Honourable Schoolboy is the second installment of John le Carré’s renowned Karla trilogy and a riveting portrayal of postcolonial espionage. With an introduction by the author.

The definitive biography of the internationally adored author of The Spy Who Came in from the Cold, Tinker Tailor Soldier Spy, and A Perfect Spy—arguably one of the most important and influential writers of the post-World War II period—by the National Book Critics Circle Award-winning biographer Adam Sisman. In this definitive biography—blessed by John le Carré himself—Adam Sisman reveals the man behind the bestselling persona. In John le Carré, Sisman shines a spotlight on David Cornwell, an expert at hiding in plain sight—“born to lying,” he wrote in 2002, “bred to it, trained to it by an industry that lies for a living, practiced in it as a novelist.” Of course, the pseudonym “John le Carré” has helped to keep the public at a distance. Sisman probes Cornwell’s unusual upbringing, abandoned by his mother at the age of only five and raised by his con man father (when not in prison), and explores his background in British intelligence, as well as his struggle to become a writer, and his personal life. Sisman has benefited from unfettered access to le Carré’s private archive, talked to the most important people in his life, and interviewed the man himself at length. Who is John le Carré? Intriguing, thorough, and packed with entertaining detail, this biography will be a treat for the legions of le Carré fans.

"[Le Carré's] novels are so brilliant because they're emotionally and psychologically absolutely true, but of course they're novels." —New York Times Book Review A thrilling tale for our times from the undisputed master of the spy genre Nat, a 47 year-old veteran of Britain’s Secret Intelligence Service, believes his years as an agent runner are over. He is back in London with his wife, the long-suffering Prue. But with the growing threat from Moscow Centre, the office has one more job for him. Nat is to take over The Haven, a defunct substation of London General with a rag-tag band of spies. The only bright light on the team is young Florence, who has her eye on Russia Department and a Ukrainian oligarch with a finger in the Russia pie. Nat is not only a spy, he is a passionate badminton player. His regular Monday evening opponent is half his age: the introspective and solitary Ed. Ed hates Brexit, hates Trump and hates his job at some soulless media agency. And it is Ed, of all unlikely people, who will take Prue, Florence and Nat himself down the path of political anger that will ensnare them all. Agent Running in the Field is a chilling portrait of our time, now heartbreaking, now darkly humorous, told to us with unflagging tension by the greatest chronicler of our age.
