NOW AN HBO MINISERIES Not in my backyard -- that's the refrain commonly invoked by property owners who oppose unwanted development. Such words assume a special ferocity when the development in question is public housing. Lisa Belkin penetrates the prejudices, myths, and heated emotions stirred by the most recent trend in public housing as she re-creates a landmark case in riveting detail, showing how a proposal to build scattered-site public housing in middle-class neighborhoods nearly destroyed an entire city and forever changed the lives of many of its citizens. -- Public housing projects are being torn down throughout the United States. What will take their place? Show Me a Hero explores the answer. -- An important and compelling work of narrative nonfiction in the tradition of J. Anthony Lukas's Common Ground. -- A sweeping yet intimate group portrait that assesses the effects of public policy on individual human lives.

Celebrating the centennial of his birth, the first-ever U.S. publication of Philippine writer Nick Joaquin's seminal works, with a foreword by PEN/Open Book Award-winner Gina Apostol A New York Times Book Review Editor's Choice Nick Joaquin is widely considered one of the greatest Filipino writers, but he has remained little-known outside his home country despite writing in English. Set amid the ruins of Manila devastated by World War II, his stories are steeped in the post-colonial anguish and hopes of his era and resonate with the ironic perspectives on colonial history of Gabriel García Márquez and Mario Vargas Llosa. His work meditates on the questions and challenges of the Filipino individual's new freedom after a long history of colonialism, exploring folklore, centuries-old Catholic rites, the Spanish colonial past, magical realism, and baroque splendor and excess. This collection features his best-known story, "The Woman Who Had Two Navels," centered on Philippine emigrants living in Hong Kong and later expanded into a novel, the much-anthologized stories "May Day Eve" and "The Summer Solstice" and a canonic play, A Portrait of the Artist as Filipino. As Penguin Classics previously launched his countryman Jose Rizal to a wide audience, now Joaquin will find new readers with the first American
