What happens when life plays a trick on two innocent lovers? What happens when your first love, much against all possibilities, comes back to you in the most bizarre and astounding manifestation ever ? Dr.Radhika Sharma, for the world outside, is an aberrant and arrogant feminist. But inside, she resides in a far-away world like a vulnerable first sketch of an artist. One night an innocuous enquiry by a nine-year-old patient coaxes her to one's personal diary. And, as she reads on, a bygone era comes to the forefront, taking her through a cavalcade of exclusive events that life, love and friendship offer at the noon of adolescence. And by night time, she finds herself face to face with a question that defies logical explanation. Is falling in love a random act or a planned coincidence? Is attraction the missing link between souls? Will the light f true love outshine the dark shadow of destiny?

Some love stories are... soul stories Dr. Radhika Sharma is what girls of today aspire to become - educated, financially independent and a woman of substance. But within, she is a broken person who is yet to come to terms with her past, her first love Raen's sudden death. In comes a nine-year-old patient under her treatment, who is not only infatuated with her, but also keeps asking her non-stop questions. One of those questions leads her to open Raen's personal diary. By the time she finishes reading the diary, Radhika finds an uncanny similarity between Raen and the young patient. She finds herself in the middle of an unusual situation. One after another, shocking truths emerge, which push her to question if an unexplained attraction is the missing link between souls. A Thing Beyond Forever is a pristine love story which digs deep into human emotions and explores the complexity of it in a soul-stirring manner.

What if you had just learned that your days are about to come to an end? Would you quietly accept your destiny, or would you fight this one final battle? And what if the demons of your past disturb the delicate reconciliation you thought you had found? These are the questions facing John Kadel in "If only I could...", a simple story about love. This is not a romance. It is a tale of the true and lasting love each of us dreams about, the undeniable love only some of us find in a lifetime of searching. John Kadel is a stubborn, single old man with a colorful past and questions for which he has no answers. Not long after his doctor hands him a death sentence, John runs into someone from his past.

"In book one, Forever Is A Lie, Saveer pushes Prisha to her death. It is the price she pays for loving him with all her heart. However, she miraculously survives. But certain survivals aren't easy and leave many unanswered questions in their wake. Why did Saveer attempt to kill Prisha? Is he really who he claims to be or is there more to this mysterious man that Prisha is yet to discover?"--Page 4 of cover.

scenes of domestic violence that are not gratuitously graphic, but may be disturbing to sensitive readers. Hearts break. Souls shatter. Love lies in The Space Beyond. As members of the Phoenix, Jeric and Leni are thrust into their new lives, expected to lead Earth's Guardians. But Leni struggles with trusting her own soul, and Jeric is more concerned about keeping Leni safe than meeting others' demands. When Darkness swarms Lake Haven, they embark on their first mission with little preparation and no idea which soul the Dark hunts. Born and raised in Lake Haven, Bex hopes to escape her small-town life, ideally in the arms of her soul mate. She knows he exists, and her heart aches with the need to find him. When her long-lost mama calls to announce she's knockin' on death's door, Bex reluctantly makes the trip to see the uncaring bitch (bless her heart), only to be knocked off her feet by the sexy and charming Dr. Mason Hayes. Is he really The One? Leni's soul felt an instant connection to Bex, but if Bex found her soul mate, she isn't their mission. So who is, and why does Leni instinctively feel drawn to her? Can Leni even trust her intuition? And will Jeric step up and lead when the time comes or continue to hold them back? If they don't learn to trust themselves and each other quickly, Darkness will claim them all...along with the rest of Earth's souls.
