A Wedding in December is a pretty simple book about seven former classmates who reunite for a wedding. Each person has his/her own storyline and there is the group storyline of the wedding/reunion. My takeaway is confirmation that we are a composite of the choices we make and the chances we take throughout our lives.

An "engrossing" (~I~New York Times Book Review) novel about a reunion of friends and the resurgence of memory--from national bestselling author Anita Shreve At an inn in the Berkshire Mountains, seven former schoolmates gather to celebrate a wedding--a reunion that becomes the occasion of astonishing revelations as the friends collectively recall a long-ago night that indelibly marked each of their lives. Margaret and Patrick have been married just a few months when they set off on what they hope will be a great adventure-a year living in Kenya. Margaret quickly realizes there is a great deal she doesn't know about the complex mores of her new home, and about her own husband. A British couple invites the newlyweds to join on a climbing expedition to Mount Kenya, and they eagerly agree. But during their

harrowing ascent, a horrific accident occurs. In the aftermath of the tragedy, Margaret struggles to understand what happened on the mountain and how these events have transformed her and her marriage, perhaps forever. *A Change in Altitude* illuminates the inner landscape of a couple, the irrevocable impact of tragedy, and the elusive nature of forgiveness. With stunning language and striking emotional intensity, Anita Shreve transports us to the exotic panoramas of Africa and into the core of our most intimate relationships.

"A marriage is always two intersecting stories." This realization comes perhaps too late to the husband of Etna Bliss—a man whose obsession with his young wife begins at the moment of their first meeting, as he helps Etna and her companions escape from a fire in a hotel restaurant, and culminates in a marriage doomed by secrets and betrayal. Written with the intelligence and grace that are the hallmarks of Anita Shreve's bestselling novels, this gripping tale of desire, jealousy, and loss is peopled by unforgettable characters as real as the emotions that bring them together.

A compelling tale of edgy, small-town emotions, lingering obsession, and romantic salvation. Andrew, after many years, returns to his hometown to attend his mother's funeral. Planning to remain only a few days, he is drawn into the tragic legacy of his childhood friend and beautiful girl next door, Eden Close. An adopted child, Eden had learned to avoid the mother who did not want her and to please the father who did. She also aimed to please Andrew and his friends, first by being one of the boys and later by seducing them. Then one hot night, Andrew was awakened by gunshots and piercing screams from the next farm: Mr. Close had been killed and Eden blinded. Now, seventeen years later, Andrew begins to uncover the grisly story - to unravel the layers of thwarted love between the husband, wife, and tormented girl. And as the truth about Eden's past comes to light, so too does Andrew's strange and binding attachment to her reveal itself.

What makes a family? That's what twelve-year-old Nicky Dillon wonders after she and her widowed father discover a wailing abandoned baby in the snow-filled woods near their New Hampshire home. Through the days that follow, the Dillons and an unexpected visitor who soon turns up at their door—a young woman evidently haunted by her own terrible choices—face a thicket of decisions, each seeming to carry equal possibilities of heartbreak and redemption. Writing with all the emotional resonance that has drawn millions of readers around the world to her fiction, Anita Shreve unfolds in *Light on Snow* a tender and surprising novel about love and its consequences.

At the age of 29, Sydney has already been once divorced and once widowed. Trying to regain her footing once again, she has answered an ad to tutor the teenage daughter of a well-to-do couple as they spend a sultry summer in their oceanfront New Hampshire cottage. But when the Edwards' two grown sons, Ben and Jeff, arrive at the beach house, Sydney finds herself caught up in a destructive web of old tensions and bitter divisions. As the brothers vie for her affections, the fragile existence Sydney has rebuilt for herself is threatened. With the subtle wit, lyrical language, and brilliant insight into the human heart that has led her to be called "an author at one with her métier" (*Miami Herald*), Shreve weaves a novel about marriage, family, and the supreme courage that it takes to love.

An "affecting tale" of a romantic reunion and a midlife affair from the New York Times–bestselling author of *The Pilot's Wife* (*Publishers Weekly*). Out of the blue, Siân Richards receives a letter from her first love, a boy she met at summer camp—and she sees no reason why she can't write back to Charles Callahan. After all, it's been thirty years and they are both married with families. But when they decide to meet again, an innocent correspondence becomes a dangerous intimacy. Swept up in the past and consumed by an obsessive love, Charles and Siân risk everything to be together. A heart-wrenching, suspenseful story with an unforgettable conclusion, *Where or When* is also a "thoughtful, beautifully written contemporary romance" from the acclaimed author of *The Stars are Fire* and *The Weight of*

Water (The Washington Post). "Who hasn't dreamed about reuniting with one's first love? Where or When indulges the fantasy, then sets it afire . . . A seductive read." —Vogue

In the novel that won her the Booker Prize and established her international reputation, Anita Brookner finds a new vocabulary for framing the eternal question "Why love?" It tells the story of Edith Hope, who writes romance novels under a pseudonym. When her life begins to resemble the plots of her own novels, however, Edith flees to Switzerland, where the quiet luxury of the Hotel du Lac promises to restore her to her senses. But instead of peace and rest, Edith finds herself sequestered at the hotel with an assortment of love's casualties and exiles. She also attracts the attention of a worldly man determined to release her unused capacity for mischief and pleasure. Beautifully observed, wittingly funny, Hotel du Lac is Brookner at her most stylish and potently subversive.

From the last time Linda and Thomas meet, at a charmless hotel in a distant city, to the moment, thirty-five years earlier, when a chance encounter on a rocky beach binds them fatefully together, this hypnotically compelling novel unfolds a tale of intense passion, drama, and suspense. *The Last Time They Met* is a singularly ambitious and accomplished work by one of today's most widely celebrated novelists.

A tale of marital intrigue. The protagonist is a woman photographer sent to investigate an old murder on an island. She takes along her husband, the husband's brother and the brother's girlfriend. Problems arise when the husband develops an interest in the other woman. By the author of *Resistance*.
