Sounds of Valley Streams is a study of Zen Buddhist enlightenment in nine chapters of Shobogenzoby Dogen. Francis H. Cook has translated the nine chapters and has preceded them with four chapters of discussion. These essays show Dogen bringing his religious intensity, philosophical depth, and poetic power to bear on a number of different facets of enlightenment. Using striking images and poetical expressions such as "one bright pearl," "dragon song," "beyond Buddha," and "a painting of a rice cake," Dogen explores such fundamental matters as the relationship between enlightenment and compassion, the dynamic nature of the enlightened life, the need to go beyond enlightenment, the nature of illusion and enlighten-ment, and what it is like to live the awakened life. The centerpiece of the translation is Genjo-koan ("Manifesting Absolute Reality"). It is a manifesto of the Zen life in which Dogen proclaims the religious insight that stands at the core of everything he wrote subsequently. Cook's translation of Genjo-koanis as accurate as possible, faithful to the original, and readable.

Become a calmer and happier mother with Buddhism for Mothers. 'This is an excellent, practical guide to everyday Buddhism not just for mothers, but for everyone who has ever had a mother. ' Vicki Mackenzie, author of the bestselling Why Buddhism Parenthood can be a time of great inner turmoil for a woman yet parenting books invariably focus on nurturing children rather than the mothers who struggle to raise them. This book is different. It is a book for mothers. Buddhism for Mothers explores the potential to be with your children in the all-important present moment; to gain the most joy out of being with them. How can this be done calmly and with a minimum of anger, worry and negative thinking? How can mothers negotiate the changed conditions of their relationships with partners, family and even with friends? Using Buddhist practices, Sarah Naphali offers ways of coping with the day-to-day challenges of motherhood. Ways that also allow space for the deeper reflections about who we are and what makes us happy. By acknowledging the sorrows as well as the joys of mothering Buddhism for Mothers can help you shift your perspective so that your mind actually helps you through your day rather than dragging you down. This is Buddhism at its most accessible, applied to the daily realities of ordinary parents. Even if exploring Buddhism at this busy stage of your life is not where you thought you'd be, it's well worthwhile reading this book. It can make a difference.
