Adam Ariel Schrag

Ariel Schrag (born December 29, 1979) is an American cartoonist and television writer who achieved critical recognition at an early age for her autobiographical comics. Her novel Adam provoked controversy with its theme of a heterosexual teenage boy becoming drawn into the LGBTQ community of New York.

its world premiere at the Sundance Film Festival on January 25, 2019. It was released on August 14, 2019, by Wolfe Releasing

---

Adam (2019 American film) - Wikipedia

Adam is a 17 year old cis boy who pretends to be a trans boy for a summer to get a hot older girl. The book is transphobic and lesbophobic - the whole thing is full of his thoughts about how ugly lesbians are, how much trans men remind him of women, their nasal voices, their tells. There's multiple long scenes where he's grossed out by trans women.

Adam by Ariel Schrag | Waterstones

Adapted from the novel of the same name by author Ariel Schrag and Ernst, Schrag's original manuscript was condemned upon its 2014 publication for both its central theme — a cis male teenager pretends to be a trans man in order to sleep with a cis lesbian — and what many readers saw as rampant bigotry towards lesbians, trans men, and Black people throughout the narrative.

---

Rhys Ernst's "Adam" Isn't The Rule-Breaking Satire It ...

In the summer of 2006, Adam Freeman, the teen protagonist of Ariel Schrag's novel Adam, goes to Brooklyn to stay with his post-grad sister Casey. The vibe around him - gay marriage demonstrations and the rise of transgender rights - challenges the kid's sense of identity.

---

Madam, I'm Adam - An interview with Ariel Schrag - The Writer

Ariel Schrag was born in Berkeley, California. She is the author of the novel Adam, and the graphic memoirs Awkward, Definition, Potential, Likewise, and Part of It. Potential was nominated for an Eisner Award and Likewise was nominated for a Lambda Literary Award.

---

### Ariel Schrag (Author of Adam) - Goodreads

While Ariel Schrag's 2014 novel Adam was well-reviewed and successful, it faced a backlash of transphobic claims due to its plot. The book is about a teenage boy who falls in love with a lesbian and pretends to be a trans man to win her over. A new Adam movie is due later this year, and that backlash against the story itself has only grown.

---

### A Film Adaptation of the Novel 'Adam' Is Facing Backlash ...

Schrag is a talented writer. Adam opens with a crushingly awkward and awesome scene where Adam, the 17-year-old protagonist tries to make out with a pretty girl in her bedroom while she IMs her other friends. It sucked me in, I'll admit.

---

### Chasing Gillian - A critique of Adam by Ariel Schrag - Is ...

Ariel Schrag's new novel, Adam, is every bit as juicy as the plot synopsis suggests: An awkward, insecure 17-year-old straight boy visits his cool lesbian older sister in New York for the summer, goes to a gay club, discovers he passes as a trans man, seduces the (lesbian) girl of his dreams — and continues to lie to her about his age, identity, and anatomy for the rest of the summer.

Adam (Audio Download): Amazon.co.uk: Ariel Schrag, Ariel Schrag, Houghton Mifflin Harcourt: Books

---

### Adam (Audio Download): Amazon.co.uk: Ariel Schrag, Ariel ...

Storyline Awkward teen Adam spends his last high school summer with his big sister, who throws herself into NYC's lesbian and trans activist scene. In this coming-of-age comedy, Adam and those around him encounter love, friendship and hard truths. Plot Summary | Add Synopsis

---

### Adam (2019) - IMDb

Adam exploits the trans community, benefitting from the suffering and struggles for acceptance by actual trans men and trans women, in order to satisfy his teenage libido. The contrast between Adam and his crass friend is supposed to make us believe that Adam's genuine emotions for Gillian excuse the base motives at the root of the lie.

---

Amazon.com: Customer reviews: Adam

Did you know Adam is coming out soon? Based on the book of the same name by proud-and-out lesbian Ariel Schrag, Rhys Ernst's film is set for a limited release on August 14th but will no doubt be...

Set in 2006, Adam is a coming-of-age comedy that tells the story of an awkward teenager who goes to spend his final summer of high school with his older sister, who is very much a part of Brooklyn's young and diverse lesbian, queer and transgender scene. Over the summer, Adam, and all those around him, will experience love and friendship, learning the hard truths that those relationships often bring. Ariel Schrag's scathingly funny and poignant debut novel puts a fresh spin on questions of love, attraction, self-definition, and what it takes to be at home in your own skin.

During the summer of 2006, California high school student Adam Freedman is sent to stay with his older sister Casey in New York City where she introduces him to a wild, lesbian subculture complete with underground clubs, drinking and a new

crowd who assumes he is transgendered. Original. 25,000 first printing.

Ariel Schrag continues her tumultuous passage through high school in the second book of her acclaimed series of frank, insightful, and painfully honest autobiographical graphic novels. Written during the summer following her junior year at Berkeley High School in California, *Potential* recounts Ariel's first real relationship and first-time love with a girl, her quest to lose her virginity to a boy, and her parents' divorce -- as well as the personal and social complications of writing about her life as she lives it. Along the way she hangs out with her favorite teacher, obsesses over clothes, gets drunk, smokes pot, and tries to connect the biology she reads about in textbooks with the biology she's living.

Ariel Schrag captures the American high school experience in all its awkward, questioning glory in *Awkward* and *Definition*, the first of three amazingly honest autobiographical graphic novels about her teenage years. During the summer following each year at Berkeley High School in California, Ariel wrote a comic book about her experiences, which she would then photocopy and sell around school. Some friends thrilled to see themselves in the comic, others not so much, but everyone was interested. *Awkward* chronicles Ariel's freshman year, and *Definition*, her sophomore year. With anxiety in excess and frustration to the fullest, Ariel dives in -- meeting new people, going to concerts, crushing out, loving chemistry, drawing comics, and obsessing over everything from glitter-laden girls to ionic charges and the constant pursuit of the number-one score. Totally true and achingly honest, with every cringe-inducing encounter and exhilarating first moment documented -- *Awkward* and *Definition* is an unflinching look at what it's like being a teenage girl in America.

Ariel Schrag concludes her turbulent ride through high school in the long-awaited final volume of her acclaimed series of compelling and strikingly honest autobiographical graphic novels. Set in Berkeley, California, *Likewise* takes us into the holy grail of teenagers, every bit as terrifying as it is liberating: senior year. Struggling with a major longing for her ex-girlfriend who has gone away to college, her parents' post-divorce relationship, anxiety over the future, and all the graphic details of her complicated life, Ariel sets out to document everything and everyone. And when she discovers James Joyce, a whole new world of creativity opens up to her. Written with unabashed honesty, insight, and humor, *Likewise* is a brave account of one teenage girl's search for truth.

Growing up, Liz Prince wasn't a girly girl, but she wasn't exactly one of the guys either (as she learned when her little league baseball coach exiled her to the distant outfield). She was somewhere in between. But with the forces of middle school, high school, parents, friendship, and romance pulling her this way and that, the middle wasn't an easy place to be. *Tomboy* follows award-winning author and artist Liz Prince through her early years and explores—with humor, honesty, and poignancy—what it means to "be a girl." From staunchly refuting "girliness" to the point of misogyny, to discovering through the punk community that your identity is whatever you make of it, *Tomboy* offers a sometimes hilarious, sometimes heartbreaking account of self-discovery in modern America.

10th grade: anxiety in excess, and frustration to the fullest. Definition is the tale of one girl's struggle during this tumultuous year through the metaphor of her high school physics class.

Now a Major Motion Picture from Director Luca Guadagnino, Starring Armie Hammer and Timothée Chalamet, and Written by Three-Time Oscar™ Nominee James Ivory The Basis of the Oscar-Winning Best Adapted Screenplay A New York Times Bestseller A USA Today Bestseller A Los Angeles Times Bestseller A Vulture Book Club Pick An Instant Classic and One of the Great Love Stories of Our Time Andre Aciman's Call Me by Your Name is the story of a sudden and powerful romance that blossoms between an adolescent boy and a summer guest at his parents' cliffside mansion on the Italian Riviera. Each is unprepared for the consequences of their attraction, when, during the restless summer weeks, unrelenting currents of obsession, fascination, and desire intensify their passion and test the charged ground between them. Recklessly, the two verge toward the one thing both fear they may never truly find again: total intimacy. It is an instant classic and one of the great love stories of our time. Winner of the Lambda Literary Award for Ficiton A New York Times Notable Book of the Year • A Publishers Weekly and The Washington Post Best Book of the Year • A New York Magazine "Future Canon" Selection • A Chicago Tribune and Seattle Times (Michael Upchurch's) Favorite Favorite Book of the Year

William C. Morris Award Finalist: Best Young Adult Debut of the Year All Pen wants is to be the kind of girl she's always been. So why does everyone have a problem with it? They think the way she looks and acts means she's trying to be a boy—that she should quit trying to be something she's not. If she dresses like a girl, and does what her folks want, it will show respect. If she takes orders and does what her friend Colby wants, it will show her loyalty. But respect and loyalty, Pen discovers, are empty words. Old-world parents, disintegrating friendships, and strong feelings for other girls drive Pen to see the truth—that in order to be who she truly wants to be, she'll have to man up.

A Mess of Everything is the second volume in Miss Lasko-Gross's semi-autobiographical trilogy, picking up where the first volume, left off: self-effacing non-conformist Melissa is now in high school, where the stakes are higher as she copes with an anxiety-induced drug habit and an anorexic best friend. Melissa finds herself negotiating the kinds of everyday problems facing young adults today - such as alienating her friends with her uncomfortable honesty and accidentally breaking her best guy friend's heart. Eventually, her woes cause her to nearly flunk out of school, and by the end of the book Melissa faces the choice that we all do at some point: to take the risk and pursue her dreams or settle for a safer, more secure routine. The unsentimental truthfulness that is the hallmark of Lasko-Gross's work is coupled with a raw but increasingly refined visual vocabulary. A Mess of Everything is an intense, honest, and funny memoir that holds appeal for anyone who is navigating, or who has ever grappled with, these issues. She expresses the awkward naïveté and inexperience of a young girl with the keen insights of a mature artist.
