"The former chief political correspondent for The New York Times Magazine brilliantly revisits the Gary Hart affair and looks at how it changed forever the intersection of American media and politics. In 1987, Gary Hart—articulate, dashing, refreshingly progressive—seemed a shoo-in for the Democratic nomination for president and led George H.W. Bush comfortably in the polls. And then: rumors of marital infidelity, an indelible photo of Hart and a model snapped near a fatefully named yacht (Monkey Business), and it all came crashing down in a blaze of flashbulbs, the birth of 24-hour news cycles, tabloid speculation, and late-night farce. Matt Bai shows how the Hart affair marked a crucial turning point in the ethos of political media—and, by extension, politics itself—when candidates’ “character” began to draw more fixation than their political experience. Bai offers a poignant, highly original, and news-making reappraisal of Hart’s fall from grace (and overlooked political legacy) as he makes the compelling case that this was the moment when the paradigm shifted—private lives became public, news became entertainment, and politics became the stuff of Page Six”— Provided by publisher.

Now a major motion picture "The Front Runner" starring Hugh Jackman An NPR Best Book of the Year In May 1987, Colorado Senator Gary Hart—a dashing, reform-minded Democrat—seemed a lock for the party’s presidential nomination and led George H. W. Bush by double digits in the polls. Then, in one tumultuous week, rumors of marital infidelity and a newspaper’s stakeout of Hart’s home resulted in a media frenzy the likes of which had never been seen before. Through the spellbindingly reported story of the Senator’s fall from grace, Matt Bai, Yahoo News columnist and former chief political correspondent for The New York Times Magazine, shows the Hart affair to be far more than one man’s tragedy; rather, it marked a crucial turning point in the ethos of political media, and the new norms of life in the public eye. All the Truth Is Out is a tour de force portrait of the American way of politics at the highest level, one that changes our understanding of how we elect our presidents and how the bedrock of American values has shifted under our feet.

One night can alter a life forever... Emma Greene enjoys living in rural solitude with her husband and five-year-old daughter, Maggie, far away from her college students in Jackson, Virginia. But late one night, with her husband away and her daughter upstairs in bed, some of Emma’s students trespass on her property. The ensuing confrontation changes Emma and Maggie’s life forever. Nine years later, still plagued by nightmares from that evening, Maggie is living with her father in the same small town, and entering her first year of high school. She develops problems in class when her math teacher, a strange and lonely woman, begins to exhibit an odd interest in her. In order to let go of the past, Maggie begins to piece together all the truth of what happened that night—and discovers a story of anger, guilt, and redemption.

ALL THE TRUTH THAT’S IN ME is many things. It is a true romance, a story of desperate yearning and unrequited love. It’s a page-turning mystery full of twists and turns that will keep you guessing until the very end. But most of all, it’s an empowering drama about a girl’s journey from victim to hero. Judith can’t speak. Ever since the horrifying trauma that left her best friend dead and Judith without her tongue, she’s been a pariah in her close-knit community of Roswell Station; even her own mother won’t look her in the eye. All Judith can do is silently pour out her thoughts and feelings to the love of her life, the boy who’s owned her heart as long as she can remember - even if he doesn’t know it - her childhood friend, Lucas. But when Roswell Station is attacked by enemies, long-buried secrets come to light . . . and Judith’s world starts to shift on its axis. Before she knows it, Judith is forced to choose: continue to live in silence, or recover her voice, even if what she has to say might change her world, and the lives around her, forever.

Fourth in the sensational series featuring Alissa, a young student of magic whose rebellious nature puts her life in danger.

Now a major motion picture starring Hugh Jackman. When politics went tabloid... In May 1987, Colorado Senator Gary Hart seemed like a no-brainer for the Democratic party’s presidential nomination. He was articulate, dashing, refreshingly progressive and led George H. W. Bush by double digits in the polls. However, he was also a deeply private man, uneasy when attention moved away from his political views to his personal life. Then, in one tumultuous week, it all came crashing down. Rumours of marital infidelity, a photo of Hart and a model snapped near a fatefully-named yacht, and a newspaper’s stakeout of Hart’s home resulted in a media frenzy the likes of which had never been seen before. Through the spellbindingly reported story of the Senator’s fall from grace, Matt Bai, Yahoo News columnist and former chief political correspondent for The New York Times Magazine, revisits the Gary Hart affair and unpicks how one man’s tragedy forever changed the nature of political media and, by extension, politics itself. This was the moment when the paradigm shifted - private lives became public; news became entertainment; and politics became tabloid.
