Many new hymns as well as old favorites are included in this collection of 658 hymns. The hymns represent a variety of music styles that reflect the diversity of the Mennonite and Brethren denominations. An additional 202 worship resources offer responsive readings and prayers for many occasions. Round notes.

Lovers of acoustic-flavored, guitar driven worship will want to consider this collection of songs from the likes of Chris Tomlin, Matt Redman and other contemporary worship leaders. The Allens weave several of the songs into blended-worship medleys based on particular themes (e.g., "How Can I Keep from Singing?" is joined with the hymn "I Will Sing the Wondrous Story" and the chorus "I Could Sing of Your Love Forever"). Other nice features include simple but effective narration, rendered by the worship leader (with two optional storytellers). Keeping the narration short (and utilizing familiar songs) allows for the collection to be presented more as a worship concert than a performance, therefore fostering more audience participation than is often

the case in a choral musical. The production notes also give instructions for an optional communion service that can be incorporated into the mix.

Forty years ago, Toolan composed the words and music of the famous hymn I Am the Bread of Life, performed in 25 languages worldwide. Today, Toolan is one of the most respected writers of religious hymns in the world; the story behind her work sparks creativity in other artists and musicians. (Motivation)

Each chapter is based on phrases from the worship song "He Knows My Name" and communicates the wonder of how God knows each of us in an unspeakably intimate way. Emphasis is on the love of God toward us and the significance of God calling us His children. He knows us, loves us, sympathizes with us, listens to us, has a future for us, forgives us, and delights in us. The chapters end with a prayer acknowledging these truths, promoting worship and gratitude to the Father. Personal testimonies are included from people around the world who have been touched by the Father's love through the words to the song "He Knows My Name."

Inspired by the #1 hit worship song by Chris Tomlin, this precious story teaches children about our Father God's unconditional love and acceptance and that the only gift God wants is our hearts. Grammy Award-winning music artist, Chris Tomlin, and Pat Barrett (Housefires) team up to tell the story of a little bear named Tucker whose life is forever changed when he learns just how great the King's love is for him. When Tucker's friends need help, he journeys to see the King who lives in a castle where the door is always open. Along the way, Tucker encounters a variety of humorous animals filled with ideas about what the King is like. Then finally, he meets the King who runs to him with open arms. This read-aloud storybook for 4- to 8-year-olds: Shows young children the character of God through a fun adventure story Teaches that God loves His children no matter what Encourages kids to have a relationship with their Heavenly Father and to ask for His help in prayer Sparks family discussions about who God is Makes a calming bedtime read with its warm message of God's caring heart With whimsical art created by Lorna Hussey, this inspiring story will leave children, young and old, reassured that God is a good, good Father, and they are loved by Him.
