This captivating 50-page digital-original story set in the world of Lauren Oliver's New York Times bestselling *Delirium* series focuses on Raven, the fiery leader of a rebel group in the Wilds. As a teenager, Raven made the split-second decision to flee across the border to the Wilds, compelled to save an abandoned newborn—a baby girl left for dead and already blue from the cold. When she and the baby are taken in by a band of rebels, Raven finds herself an outsider within a tight-knit group. The only other newcomer is an untrustworthy boy known as the Thief until he finally earns himself a new name: Tack. Now she and Tack are inseparable, committed to each other, the fledgling rebellion, and a future together. But as they both take center stage in the fight, Raven must decide whether the dangers of the revolution are worth risking her dreams of a peaceful life with Tack. As her story hurtles back and forth

between past and present, Raven transforms from a scared girl newly arrived in the Wilds to the tough leader who helps Lena save former Deliria-Free poster boy Julian Fineman from a death sentence. Whatever the original mission may have been, Raven abides by a conviction that she believes to her core: You always return for the people you love. By turns surprising, revelatory, and poignant, Raven's story enriches the Delirium world and resonates with a voice that is as vulnerable as it is strong.

Ninety-five days, and then I'll be safe. I wonder whether the procedure will hurt. I want to get it over with. It's hard to be patient. It's hard not to be afraid while I'm still uncured, though so far the deliria hasn't touched me yet. Still, I worry. They say that in the old days, love drove people to madness. The deadliest of all deadly things: It kills you both when you have it and when you don't. Lauren Oliver astonished readers with her stunning debut, *Before I Fall*. In a starred review, *Publishers Weekly* called it "raw, emotional, and, at times, beautiful. An end as brave as it is heartbreaking." Her much-awaited second novel fulfills her promise as an exceptionally talented and versatile writer.

Alex, Lena's first love. When Alex sacrificed himself to save Lena, he thought he was committing himself to certain death, but what he got was almost worse. Imprisoned and tortured by the guards, his mind forces him to relive a past he would rather forget. But in the dark he grows stronger. Both hopeful and terrified, he fights to find his way back to her and the love he still clings to. In this digital story that will appeal to fans of Delirium and welcome new admirers to its world, readers will learn of Alex's time after the events of Delirium, as well as the dark past that he has tried to forget.

This collection contains the complete text of the three bestselling Delirium novels plus three short novellas about characters in the Delirium world. Lauren Oliver's powerful New York Times bestselling dystopian trilogy presents a world as terrifying as George Orwell's 1984 and a romance as true as Romeo & Juliet. Delirium: In a dystopian world where love is declared the deadliest of all diseases, one's only hope is to be cured. Lena is 95 days away from getting her cure when she does the unthinkable. She falls in love. Pandemonium: The explosive second book of the Delirium trilogy brings us a new Lena: strong, fierce, and defiant. But the chaos of a loveless world will lead her into the fight of her life. Requiem: This exciting finale to Lauren Oliver's New York Times bestselling Delirium trilogy is a riveting blend of

nonstop action and forbidden romance in a dystopian United States. The Hana, Annabel, and Raven novellas each center around a fascinating and complex character who adds important information to the series and gives it greater depth.

'The new Hunger Games... ' Cosmopolitan He never loved me. It was all a lie. 'The old Lena is dead,' I say, and then push past him. Each step is more difficult than the last; the heaviness fills me and turns my limbs to stone. You must hurt, or be hurt. An all-out uprising has been ignited and Lena Haloway is right at its centre. But things have changed. The Wilds are no longer a safe haven for the rebels and pockets of resistance have opened throughout the country. And when a face from her past reappears, Lena is faced with a devastating choice that could tear her and the revolution apart. 'Un-put-downable, a truly fantastic finale.' Guardian

In the world of Delirium, love is a disease. And like all eighteen-year-olds, Lena and Hana must take the cure. At the start of their last summer of freedom, they were the closest of friends. Until Hana made a decision that tore them apart . . . In Delirium, we heard from Lena. Now, Hana gets to tell her side of the story. And nothing is what we first thought. Annabel ran away from home and straight into the man she knew she was destined to marry. The world was different then—the regulations not as stringent, the cure only a decade old. Fast forward to the present, and Annabel is consigned to a dirty prison cell, where she nurtures her hope of escape and scratches one word over and over into the walls: Love. But Annabel, like Lena, is a fighter. Through chapters that alternate between her past and present, Annabel reveals the story behind her failed cures, her marriage, the births of her children, her imprisonment, and, ultimately, her daring escape.

A perfect companion to Lauren Oliver's bestselling Delirium trilogy, *The Book of Shhh* expands on excerpts included in the original series. Lauren Oliver delves deeper into the world created in the Delirium trilogy and provides fans with an in-depth look at the terrifying society that her characters live in. This free novella includes case studies, exercises, invocations, quotes, proverbs, and detailed information on amor deliria nervosa. *The Book of Shhh*, or the Safety, Health, and Happiness Handbook, describes the perils of amor deliria nervosa. In today's society, thanks to the cure and its enforcement, our citizens are more productive and committed to their jobs, political organizations, and social impact than ever before. With all the intensity and whiplash turns of *Sharp Objects* and *One of Us Is Lying*, this engrossing psychological thriller by New York Times bestselling author Lauren Oliver is an unforgettable, mesmerizing tale of exquisite obsession, spoiled innocence, and impossible friendships. It's been five years since Summer Marks was brutally murdered in the woods. Everyone thinks Mia and Brynn killed their best friend. That driven by their obsession with a novel called *The Way into Lovelorn* the three girls had imagined themselves into the magical world where their fantasies became twisted, even deadly. The only thing is: they didn't do it. On the anniversary of Summer's death, a seemingly insignificant discovery resurrects the mystery and pulls Mia and Brynn back together once again. But as the lines begin to blur between past and present and fiction and reality, the girls must confront what really happened in the woods all those years ago—no matter how monstrous.
