Learn how to train your dog exactly as the U.S. military trains its canine soldiers. This manual is the Department of Defense's principle source of information on care, conditioning, and training of our nation's Military Working Dogs - such as "Cairo," the canine who served in the raid that killed Bin Laden. From basics, such as "HEEL" and "STAY" to negotiating obstacle courses, to tracking, searching, and even attacking . . . this manual shows readers how our military trains their dogs to be the best trained canines in the world. Contents include: * Veterinary Training Priorities * Principles of Conditioning and Behavior Modification * Patrol Dog Training * Clear Signals Training Method * Deferred Final Response * Detector Dog Training Validation * The Military Working Dog (WMD Program) * Facilities and Equipment * And more...

This text explains and synthesizes the functioning and relationships of numerous Defense, Joint, and Army organizations, systems, and processes involved in the development and sustainment of trained and ready forces for the Combatant Commanders. It is designed to be used by the faculty and students at the U.S. Army War College (as well as other training and educational institutions) as they improve their knowledge and understanding of "How the Army Runs." We are proud of the value that senior commanders and staffs place in this text and are pleased to continue to provide this reference.

This work is a collection of observations, insights, and advice from over 50 serving and retired Senior Non-Commissioned Officers. These experienced Army leaders have provided for the reader, outstanding mentorship on leadership skills, tasks, and responsibilities relevant to our Army today. There is much wisdom and advice "from one leader to another" in the following pages.

The FAAT List is not designed to be an authoritative source, merely a handy reference. Inclusion recognizes terminology existence, not legitimacy. Entries known to be obsolete are included because they may still appear in extant publications and correspondence.
