Ambition will fuel him. Competition will drive him. But power has its price.

The cultural and even physical extinction of the world's remaining tribal people is a disturbing phenomenon of our time. In his study of the Batak of the Philippines, James Eder explores the adaptive limits of small human populations facing the ecological changes, social stresses, and cultural disruptions attending incorporation into broader socioeconomic systems.

With this new edition, Eric Chiang transforms CoreMicroeconomics into a text/media resource well attuned to today's students. Long active in the economics education community, Chiang brings a contemporary teacher's perspective to the book, supporting a variety of learning approaches by introducing modern topics, new pedagogy, a more visual presentation, and well-integrated media tools. All this while maintaining the book's defining focus on just those topics instructors cover most often in the course.

"Since coming to Enchantment, New Mexico everything in Daire Santos life has changed. And not all for the better. While she's come to accept and embrace her new powers as a Soul Seeker, Daire struggles with the responsibility she holds navigating between the worlds of the living and the dead"--

concepts apply to real life with McKeague/Turner's TRIGONOMETRY. This book's proven approach presents contemporary concepts in brief, manageable sections using current, detailed examples and interesting applications. Captivating illustrations drawn from Lance Armstrong's cycling success, the Ferris wheel, and even the human cannonball show trigonometry in action. Unique Historical Vignettes offer a fascinating glimpse at how many of the central ideas in trigonometry began. Two people, two lives, one unfulfilled promise . . . She, smiles wide, and her happiness brightens up the world around her. Elusive, charismatic and incredibly rich, He runs away from his past and the grief it brings with it. She is capable of breaking down all his barriers, imploring his heart to give love a second chance. He wants to trust her . . . They step into a relationship with a vow—to stay together all their lives. But when disaster strikes, does their love prove strong enough to withstand the brutal force of reality? Or does the promise lie forgotten, even as they struggle to regain the balance of their lives? Only time will tell . . .
