This devoted compendium to the female derriere packs a whole lot of big booty into one petite treat of a book. Featuring more than 150 images of the biggest and best rears from The Big Book of Butt, including 30 new mouth-watering images, it's one irresistible ode to voluptuous curves from the 1950s to today.

Decorating a loft has never been easier with this comprehensive guide. The Big Book of Lofts features more than 600 different design ideas covering every part of the loft...and then some. The Big Book of Lofts is divided by square footage, with sections titled "small", "medium", "large", and "extra large". Each section opens with text describing the decorating challenges unique to loft design, followed by full – color design ideas showcasing hundreds of different solutions to outfit every size space with a range of current interior style methods. The styles featured focus on the most popular used by today's best interior designers, including New Rococo, Minimalism, New Rustic, Retro and Contemporary. Photographs are accompanied by captions explaining the different approaches from each designer and architect. Whether it's one part of the loft or the entire space, The Big Book of Lofts is the ultimate reference for every homeowner ready to redecorate.

Don't let the compact size fool you: Within these modest covers waits a wealth of soft, natural, superlative breasts proudly displayed by top glamour models of the 1950s, '60s and '70s. Compiled from the original 398-page edition of The Big Book of Breasts as well as subsequent Big Brest Calendars for 40% new content.

Touko Laaksonen, better known as Tom of Finland, enjoyed an intense cult in the international gay community but was largely unknown to the broader audience. This collector's edition contains nearly 1,000 images along with essays on the artist's social impact.
