Lace Tools & Materials  
Bobbin lace is a lace textile made by braiding and twisting lengths of thread, which are wound on bobbins to manage them. As the work progresses, the weaving is held in place with pins set in a lace pillow, the placement of the pins usually determined by a pattern or pricking pinned on the pillow.. Bobbin lace is also known as pillow lace, because it was worked on a pillow, and bone lace ...

LACE & LACEMAKING. Flowers are very graceful. This book collects together 20 flowers, some life-like and some fantasy. It features photographs and step-by-step instructions. It is suitable for both beginners and more experienced needlecrafters.

A reference and instructional work this is produced for the lacemaker with a working knowledge of the craft of Bruges flower lace and describes the basic techniques used in the lace - braids, edgings, leaves, scrolls and flowers - and provides explanations on how to make decorative lace pieces.

Learn the stitches need for making Bucks Point bobbin lace. This style of lace is designed using a hexagonal grid. It is particularly suitable for flowers and other non-square designs.This book has explanations and diagrams of the stitches, and plenty of original patterns, including flowers, bees and butterflies. All patterns use 20 pairs of bobbins or less.

Superb step-by-step guide enables even beginners to create beautiful lace according to age-old technique. Edgings, doilies, squares, petals, picots, more. Projects graded, simple to advanced. 249 illustrations. Bibliography.

Explore the world of Bobbin Lace with this book, which takes you through simple Torchon ground pieces to scarves, purse and bags. "Bobbin lace may look complicated when you see a pillow set up with dozens of bobbins, but it will seem far less daunting when you realise that only four bobbins (two pairs) are in use at any one time, and there are only two moves twist and cross that you can do." While the basic lace stitches are common to all types of bobbin lace, different lacemaking traditions developed different ways of putting these stitches together. Bruges lace, for example, uses less than a dozen pairs of bobbins and a relatively coarse thread to create curved braids and flower-like motifs which are linked to form the fabric, on the other hand point ground laces, such as Chantilly or Bucks Point, are worked from one end to the other in fine silk or cotton and may need a hundred pairs or more.' An extensive techniques section makes lacemaking clear, simple and enjoyable. Five full step-by-step projects with pricking patterns. Gives advice on adding decorative features, beads and tassels. Suitable for both beginners and more experienced lacemakers. A clearly illustrated step-by-step guide to all the stitches and techniques needed to create beautiful bobbin lace. Includes prickings and easy-to-follow photographs showing how to use them. Provides full instructions for a selection of colourful Torchon lace projects using a variety of yarns: a bag, a purse, a scarf and a cushion.

Modern, step-by-step approach shows how to create every variety of bobbin lace, from the simplest stitches to the most challenging patterns. Suitable for needleworkers at all levels. 279 illustrations.
