This book is the first in a series, to be released by Pamela Lillian Valemont (nee Smith), the culmination of over 30 years of painstaking and dedicated research. Pamela has made many TV appearances, and has been heard on talk back radio over four states of Australia, dating from 1984. In this book, she talks about the Numbers 1, 2 and 3, as they are expressed through the Holy Trinity, and how they

manifest not only in your life, but in the world around us. She has illustrated the book, with original pages of art, in full colour. These serve to show what events happen in our lives when we come under the vibrations of the Numbers 1, 2 and 3, and their higher elevations, the Master Numbers, 55/1, 11/2 and 66/3. There are also fascinating sections dealing with the number vibrations surrounding the death of John Lennon, and the significance of the Master 11 in the World Year 2011, as it relates to the occurrence of natural disasters globally; not only the loss of life, but what they have brought entrain.
