Everyday I have been reading a new quote and it really does make you smile. Its great to give as a gift to someone maybe going through a hard time. Hope you pick it up.

Once Upon a Twilight!—April-2010

Cal Poly (1-1, 2-3) at Weber State (0-1, 0-5): The reason to tune in here is to see how many rushing yards Cal Poly can pile up. The Mustangs rank No. 1 in the nation (335.6 yards per game), and Weber State has struggled to limit teams on the ground.

From USA Today bestselling Australian author Nicola Marsh comes a warm and winsome rural romance about second chances and belonging. A prodigal daughter returns to Brockenridge... Eleven years ago Ruby Aston left Brockenridge - and its small-town gossip - for the anonymity of the big city. Now, a grieving Ruby is forced to come home to the place she loathes. But it also means returning to someone she's always regretted leaving behind... Connor Delaney is determined to prove himself and not get by on his family name alone. To do this he needs to acquire the local roadhouse. He never anticipated the owner would be the same 'bad girl' who ditched him at the high school ball and was never heard from again. For Alisha Mathieson, the grief of suddenly losing her dear friend and employer Clara Aston has forced her to examine her choice to stay and support her ageing parents. As she battles a growing need to explore her past, temptation wars with duty. And then there are her feelings for handsome chef Harry, who has secrets of his own... In following their hearts, will this unlikely trio lose what they've craved all along?

Jewelry designer and heiress Ruby Seaborn will do anything to save her family's company from financial ruin. And she means anything. Including proposing a strictly business marriage to diamond-mine magnate Jax Maroney—the only man able to restore the Seaborn jewelry empire to its former glory! She needs his money; he needs her socialite credentials—it's a win-win solution. And if they indulge in certain...fringe benefits of their marriage along the way, that's fine. Because luckily Ruby's heart is as unbreakable as the precious gems she works with...isn't it?

Four haunted men, and a death wish with my name all over it. My friends call me Sephy (short for Persephone). At seven I killed my first demon. It wasn't much, an accident really... but one taste of a demon kill and I was possessed. At thirteen, my home-town banished me. Still, I considered this ability a gift and not a curse, until my twenty-first birthday... when all Hell broke loose. Demonic spirits are crossing over into our world, promising terrifying things. They're targeting me and my piece of shit ex-boyfriend, a damn cop who's been riding my case for the last two months, a friend who's broken my heart, and a brother of a girl I saved from a demon attack. Normally, I'm a look-on-the-bright-side kinda girl, but the bright side is getting darker, and demons are closing in. And the only hope of me surviving is to team up with these four guys, as long as the madness doesn't claim me first.

If it's Purple, Someone's Gonna Die is a must-read book for all film students, film professionals, and others interested in filmmaking. This enlightening book guides filmmakers toward making the right color selections for their films, and helps movie buffs understand why they feel the way they do while watching movies that incorporate certain colors. Guided by her twenty-five years of research on the effects of color on behavior, Bellantoni has grouped more than 60 films under the spheres of influence of six major colors, each of which triggers very specific emotional states. For example, the author explains that films with a dominant red influence have themes and characters that are powerful, lusty, defiant, anxious, angry, or romantic and discusses specific films as examples. She explores each film, describing how, why, and where a color influences emotions, both in the characters on screen and in the audience. Each color section begins with an illustrated Home Page that includes examples, anecdotes, and tips for using or avoiding that particular color. Conversations with the author's colleagues-- including award-winning production designers Henry Bumstead (Unforgiven) and Wynn Thomas (Malcolm X) and renowned cinematographers Roger Deakins (The Shawshank Redemption) and Edward Lachman (Far From Heaven)--reveal how color is often used to communicate what is not said. Bellantoni uses her research and experience to demonstrate how powerful color can be and to increase readers awareness of the colors around us and how they make us feel, act, and react. *Learn how your choice of color can influence an audience's moods, attitudes, reactions, and interpretations of your movie's plot *See your favorite films in a new light as the author points out important uses of color, both instinctive and intentional *Learn how to make good color choices, in your film and in your world.

From India to Turkey, from Poland to the United States, authoritarian populists have seized power. Two core components of liberal democracy--individual rights and the popular will--are at war, putting democracy itself at risk. In plain language, Yascha Mounk describes how we got here, where we need to go, and why there is little time left to waste.

The last time Andreas Ferrante saw Sienna Baker, she was naively trying to seduce him. While her provocative sensuality is emblazoned on Andreas's memory, the terrible consequences torment him. So the news that they must marry to secure his inheritance is unthinkable.... Once devastated by his heartless rejection, seeing Andreas again makes Sienna's humiliation burn brighter. And as for marrying him? They'd be lucky to last the ceremony without killing each other! But there's a fine line between love and hate.... Will these flames of anger turn to white-hot passion on their wedding night?

Brexit will have significant consequences for the country, for Europe, and for global order. And yet much discussion of Brexit in the UK has focused on the causes of the vote and on its consequences for the future of British politics. This volume examines the consequences of Brexit for the future of Europe and the European Union, adopting an explicitly regional and future-oriented perspective missing from many existing analyses. Drawing on the expertise of 28 leading scholars from a range of disciplines, Brexit and Beyond offers various different perspectives on the future of Europe, charting the likely effects of Brexit across a range of areas, including institutional relations, political economy, law and justice, foreign affairs, democratic governance, and the idea of Europe itself. Whilst the contributors offer divergent predictions for the future of Europe after Brexit, they share the same conviction that careful scholarly analysis is in need – now more than ever – if we are to understand what lies ahead for the EU. Praise for Brexit and Beyond 'a wide-ranging and thought-provoking tour through the vagaries of British exit, with the question of Europe's fate never far from sight...Brexit is a wake-up call for the EU. How it responds is an open question—but respond it must. To better understand its options going forward you should turn to this book, which has also been made free online.' Prospect Magazine 'This book explores wonderfully well the bombshell of Brexit: is it a uniquely British phenomenon or part of a wider, existential crisis for the EU? As the tensions and complexities of the Brexit negotiations come to the fore, the collection of essays by leading scholars will prove a very valuable reference for their depth of analysis, their lucidity, and their outlining of future options.' - Kevin Featherstone, Head of the LSE European Institute, London School of Economics 'Brexit and Beyond is a must read. It moves the ongoing debate about what Brexit actually means to a whole new level. While many scholars to date have examined the reasons for the British decision to leave, the crucial question of what Brexit will mean for the future of the European project is often overlooked. No longer. Brexit and Beyond bundles the perspectives of leading scholars of European integration. By doing so, it provides a much needed scholarly guidepost for our understanding of the significance of Brexit, not only for the United Kingdom, but also for the future of the European continent.' - Catherine E. De Vries, Professor in the department of Government, University of Essex and Professor in the department of Political Science and Public Administration Free University Amsterdam 'Brexit and Beyond provides a fascinating (and comprehensive) analysis on the how and why the UK has found itself on the path to exiting the European Union. The talented cast of academic contributors is drawn from a wide variety of disciplines and areas of expertise and this provides a breadth and depth to the analysis of Brexit that is unrivalled. The volume also provides large amounts of expert-informed speculation on the future of both the EU and UK and which is both stimulating and anxiety-inducing.' -Professor Richard Whittman, Head of School, Professor of Politics and International Relations, Director of the Global Europe Centre, University of Kent

This text is a history of the world's oldest global conservation body - the World Conservation Union, established in 1948 as a forum for governments, non-governmental organizations and individual conservationists. The author draws on unpublished archives to reveal the often turbulent story of the IUCN and its achievements in, and influence on, conservation and environmental policy worldwide - establishing national parks and protected areas and defending threatened species.

This biography of Werner Scholem (1895–1940), former Zionist activist and later chief organiser of the German Communist Party, sheds new light on German-Jewish relations in the Weimar Republic, focussing on a revolutionary's lifelong struggle against Anti-Semitism.

'This was SOME read. Now I know what it means when people say a book was unputdownable. I just had to finish this in one sitting. It was just too good to wait until the next day... You will NOT want to miss this.... Ten stars definitely!' Netgalley reviewer, 5 stars Trusting his family was her first mistake. All Ria ever wanted was a family. Growing up alone in foster care, she imagined just how it would be. So when she fell in love with Grayson and had their daughter Shelley, she was determined to make his family love her too. She knew she'd never fit in with her glamorous sisters-in-law, or at the exclusive picture-perfect Chicago parties her mother-in-law threw, but with Grayson's arm around her waist she tried her best to be a Parker. Everything changed when Grayson disappeared. Until one morning, Grayson leaves the house for work and never comes home. Left to raise Shelley alone, Ria is forced to turn to her husband's family, to let her intimidating mother-in-law into her life, allow her to babysit Shelley, and accept her financial support. She tries to ignore the feeling that her sisters-in-law never thought she was good enough. They say they have no idea what happened to Grayson, and she tries very hard to believe them. But Ria is about to learn that every Parker wife has secrets. And protecting her daughter might come at a terrible price. From USA Today bestseller Nicola Marsh. Utterly compelling. The Last Wife is an emotionally-charged novel about what one woman will do to survive. Perfect for fans of Liane Moriarty, Kerry Fisher and The Other Woman. Readers love The Last Wife! 'I was hooked from the thrilling prologue straight through to that jaw-dropping finale!... Drew me in and left me craving for more... Domestic suspense that'll easily have you swiping your night away.' Misty's Corner Reviews, 5 stars 'Wow. I cannot say enough about this book! This book was the definition of a page turner – the plot twists kept me hooked up until the very end! Goodreads reviewer 'What an amazing book. I couldn't put it down. Had my attention from start to finish. plenty of suspense and twists and turns. Just when I thought I had it figured out I was proven wrong.' Goodreads reviewer, 5 stars 'Gripped right from the start, I couldn't turn the pages on my kindle fast enough. Everything immediately drew me in... Taken on a wild addictive ride and what a bloody great ride it is!... Wickedly twisted, highly addictive, utterly deceptive and I absolutely loved it!' Once Upon A Time Book Blog, 5 stars 'Wow. Just wow. From beginning to end you had no idea where this book was going... This is a must read book. At one point you are yelling at the book because darn it tell me, the ending had me shook. I was quaking. Definitely not what I was expecting.' Goodreads reviewer, 5 stars 'Deliciously good! I could hardly put it down. The family dynamics in this salacious drama feel like the best reality show mixed with a soap opera... I highly recommend this book to anyone.' Goodreads reviewer, 5 stars 'A fabulous read! There's everything here – secrets, danger, deceit... keeps you hooked right until the last page. Not giving anything away, simply to say, this is definitely a must read.' Brook Cottage Books, 5 stars 'I just loved this book! My second of Nicola Marsh's books and it did not disappoint. A domestic thriller that kept me guessing until the very end... Highly recommend.' Chapter Chatter Pub, 5 stars 'I have read this book in less than three hours. It was quick, sharp and full of unexpected twists. Fully recommended! I will definitely reach for more books of this author.' Goodreads reviewer, 5 stars
