This popular book examines the growing diversity in schools in a constructive, empowering manner. The authors identify various forms of cultural diversity and suggest ways that teachers can build inclusive classroom environments. Each of the 7 topical chapters deals with a different form of diversity in school: a) racial/ethnic, b) religious, c) ability, d) socioeconomic class, e) linguistic, f) gender diversity, and g) activities. Ways for enabling students to discard existing stereotypes and actively question and reject attitudes and actions not congruent with a pluralistic society are suggested.

The Touchstone Workbook provides follow-up exercises for each lesson in the Student's Book, allowing for a thorough practice of new vocabulary, structures, and conversation strategies and providing extra reading and writing activities. A progress chart at the end of each unit helps students evaluate their progress and plan further study.

The Solutions 2nd Edition Teacher's Book provides a comprehensive package to support Solutions teachers, and is perfect for mixed-ability classrooms.

Student Book: Specific listening and word skills lessons, to help develop well-rounded, confident communicators. Student Book: Additional resources, including exam skills trainer sections and extra speaking practice help consolidate what students have covered in the lessons. Student Book: Exam skills trainer sections prepare students for typical school-leaving/Cambridge tasks, and provide them with the language, strategies, and exam skills they need to achievesuccess. Student Book: Culture Bank includes 9 ready-to-use culture lessons linked to the topic and language of the main units, providing extra reading and listening practice. Online Practice: A particular focus on more in-depth practice of grammar, vocabulary, reading, writing, listening, and speakingskills. Online Practice: Media-rich content (vox pops, vlogs, grammar animations) with interesting and engaging topics and texts. Online Practice: Automatic marking with instant feedback, and progress tracked in the gradebook to save time. Online Practice: Content aligned to the CEFR and the Solutions syllabus which complements and extends the contents of the book.

[This book] features: five units organized by genre that offer fiction and nonfiction selections; before reading activities that activate prior knowledge, provide background information, and preteach selection vocabulary ... ; [and] end-of-selection activities that allow students to demonstrate reading comprehension and understanding of new skills and concepts; selection assessments in standardized test format; [and] English language learner support that builds vocabulary and language skills. -- Back cover.

Click On is a five-level course consisting of five modules each for learners of English from complete beginner to intermediate level. In full colour, the course combines active English language learning with a variety of lively topics presented in themed units. Its well-organised syllabus promotes the gradual development of all four language skills needed by learners to communicate effectively in English. The cross-cultural approach of the course stimulates learners' interest, focusing on topics carefully chosen to motivate. The Student's Book and the Workbook for each level are designed to be covered in approximately 70 to 80 hours of classroom work.

Presents brightly illustrated scenes depicting happiness or things that cause joy.

Easy and enjoyable to teach, Touchstone offers a fresh approach to the teaching and learning of English. The Touchstone Class Audio CDs include the Getting Started, Speaking Naturally, and Building Vocabulary exercises, as well as grammar, conversation strategies, and listening activities, all recorded by fluent native and non-native speakers of English. The Class Audio Program is also available on Audio Cassettes.
