of the most popular genres for enthusiast and commercial photographers alike, but all of the books on the market are large in format and unsuited to use in the field. This latest addition to Ilex's popular Field Guide series meets this need perfectly, with Carl Heilman's unique expertise and brilliant photos presented for the first time in a go-anywhere format. Covering key areas like equipment, exposure, weather and post-processing, and with a handy ready-reference section in the back of the book, *The Landscape Photography Field Guide* will become an essential companion on any shooting trip.
