Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Longtime Myers collaborator Richard Straub provides an updated study guide for the new edition.

Radio Frequency Identification (RFID) is an automatic identification method, relying on storing and remotely retrieving data using devices called RFID tags (also called transponders). This book is a guide to CompTIA's new RFID+ Security exam and includes the following study elements: Exam objectives covered in a chapter are clearly explained in the beginning of the chapter, Notes and Alerts highlight the crucial points, Exam’s Eye View emphasizes the important points from the exam’s perspective, Key Terms present definitions, Review Questions contain questions modeled after the real exam questions. Answers to these questions are presented with complete explanations in an appendix. Also included is a full practice exam modeled after the real exam. The answers to the exam questions are presented with full explanations. The only RFID+ study guide that provides 100% coverage of all exam objectives for the CompTIA RFID+ exam Packed full of special features and material to aid and reinforce learning

Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project.

The exam questions for Yellow, Green and Black Belts have changed as of 2019. While other shorter books have around 60 questions, this guide includes 300 questions so that students are fully prepared before taking the exam. This guide includes a complete review of theory that students will need to know. Furthermore, questions and answers are divided by Belt Type. The Yellow, Green and Black Belts have 100 questions each, with a total of 300 questions in this book. Consider the Table of Contents below and you will see that this guide stands out from the rest. Table of Contents Chapter 1 - Understanding Six Sigma Chapter 2 - The Pros and Cons of Six Sigma and How the Cons Are Reversed Chapter 3 - The Belt Levels of Six Sigma Chapter 4 - The Five Voices Chapter 5 - The Eight Dimensions of Quality Chapter 6 - The DMAIC Steps Chapter 7 - The DMADV (DFSS) Process Chapter 8 - Going Lean (Lean Principles) Chapter 9 - The Most Common Types of Waste Chapter 10 - Defects vs. Defectives Chapter 11 - Project Acceptability Chapter 12 - The Five Key Deliverables of the Define Stage Chapter 13 - Operating the VOC Chapter 14 - The Kano Model Chapter 15 - The Pareto Principle Chapter 16 - Critical to Quality (CTQ) Chapter 17 - Creating a Project Charter Chapter 18 - The Stakeholder Analysis Chapter 19 - The Change Acceleration Process (CAP) Chapter 20 - The Value Stream Map Chapter 21 - Options for Process Mapping Chapter 22 - The 15 Most Important Details for Planning a Six Sigma Task Chapter 23 - Designing a Communication Plan Chapter 24 - The Cost of Quality and the Cost-Benefit Analysis Chapter 25 - Choosing the Y Between Effectiveness and Efficiency Chapter 26 - Musts and Wants Chapter 27 - Brainstorming Chapter 28 - Identifying and Managing the X and Y Chapter 29 - Variations in the Measurement System Chapter 30 - The Sampling Process Chapter 31 - A General Measurement System Chapter 32 - Key Factors for Data Interpretation Chapter 33 - Using the Right Measurement Chart (The Basic Tools of Quality) Chapter 34 - How Capable Is the Process? The story of one African-American family fighting to stay together and strong in the face of brutal racist attacks, illness, poverty, and betrayal in the Deep South of the 1930s.

"This study guide is designed for use with The Developing Person Through the Life Span, Sixth Edition, by Katleen Stassen Berger. It is intended to help students evaluate their understanding of that material, and to review any problem areas. [Sections such as] 'How to Manage Your Time Efficiently,' 'Study more effectively', and 'Thing Critically' provide detailed instructions on how to use the textbook. Each chapter ... includes a Chapter Overview, a set of Guided Study questions, a Chapter Review section, and three review tests." --Preface.

This study guide for David Myers' best-selling text for introductory psychology courses is compelling and concise with a global perspective on psychology. This edition has been thoroughly updated, and includes new features and a media supplemts package.

This seventh edition comes with a significant revision of cognitive development through childhood, revised and updated chapters on adolescence, and more attention to emerging and early adulthood.

The most trusted study guide to learning The Pilgrim's Progress! Understanding the The Pilgrim's Progress by John Bunyan can be difficult and confusing at times. Not so with The Pilgrim's Progress Study Guide! This comprehensive Bible study workbook will guide you through Bunyan's masterful use of metaphors helping you better understand key concepts, supporting Bible passages, and the relevance to our world today. The story chronicles the epic adventure of a man named Christian who leaves his home in the City of Destruction and begins a life-long quest to the Celestial City. Set against the backdrop of a hazardous journey, this powerful drama unfolds as Christian's adventures lead him into fascinating lands and encounters with interesting people who either help or hinder his progress along a narrow way. With a gallery of memorable characters and visits to colorful places, Bunyan's allegorical narrative describes one man's extraordinary adventure on his journey to faith. Designed to be used alongside The Pilgrim's Progress: A Readable Modern-Day Version of John Bunyan's Pilgrim's Progress, each chapter, sub section, and study question examines Bunyan's allegorical narrative to tell his powerful presentation of what it means to follow the narrow way of Christian salvation. This complete Bible study experience is perfect for book clubs, church groups, and independent study. Detailed character sketches and an easy-to-read book summary provide deep insights into each character and place in the book. To help with those more difficult discussion questions, a complete Answer Guide and Scripture Reference Guide are available for free online. The Pilgrim's Progress Study Guide includes: - Twelve sessions of study - Comprehensive Bible study workbook with studies for each week - Complete character sketches and summaries to go deeper - Bible study questions that are ideal for group discussion - Answer Guide for all questions and Scripture Reference Guide available for free online - Perfect for book clubs, small groups, or individual Bible study - Available in print or e-book formats Explore the allegories, meanings, and symbols behind this timeless classic that has challenged and encouraged believers for centuries. There's no better tool for making that happen than with The Pilgrim's Progress Study Guide! Frequently Asked Questions: What book version should I use with the study? Although, there are many versions of this Bunyan classic, The Pilgrim's Progress: A Readable Modern-Day Version of John Bunyan's Pilgrim's Progress is the only book that is made specifically for this study. Each chapter, sub section, and study question are designed to be used in conjunction with each other. Other books will feel drastically different and not match up with the study questions and format of this study. How long is the study? The study is 12 weeks but can easily be reformatted based on your schedule. Does each person in the study need their own book? Yes. It's most helpful for learning purposes if each person has their own study guide. However, couples might find it convenient to share the actual book. Is there much homework? The only homework is to read one chapter each week and answer corresponding discussion questions prior to class. Can anyone lead the study? Absolutely! The study is created in a discussion format allowing leaders to simply guide participants through each study question at weekly meetings. Can I get access to the answers for each discussion question? Yes. The answers for each discussion question are available for free online!
