Didactique, simple et pratique, cet ouvrage répond à toutes les questions qu'un entrepreneur se pose lorsqu'il souhaite se lancer dans l'e-commerce : choix du business model ; définition de la stratégie produit et logistique ; création du site (choix stratégiques et techniques) ; développement des ventes via l'acquisition de trafic et le marketing digital ; questions juridiques classiques et nouvelles obligations de 2018 ; valoriser pour revendre son site e-commerce. Articulé en cinq étapes, de la genèse du projet à sa mise en place, et accompagné d'exemples concrets et de schémas explicatifs, l'ouvrage accompagnera tous les professionnels dans leur activité entrepreneuriale. Conçu comme une véritable boîte à outils, il comprend aussi un glossaire de plus de 90 termes et des liens vers des modèles de documents à télécharger en ligne. Avec une préface de Bruno Lévêque

Après avoir investi significativement dans la conception, la promotion et la mise à jour de leurs sites Internet, les entreprises et les organisations publiques sont souvent déçues par les résultats obtenus. Malgré un trafic croissant, peu de visiteurs réalisent les actions souhaitées, telles qu'acheter un produit ou gérer un compte en ligne. Pourtant, grâce aux solutions de Web analytics, des informations inestimables sont disponibles sur le comportement des visiteurs : leur provenance, ce qu'ils font sur le site et à quelle page ou étape ils en sont. En maîtrisant l'ensemble de ces informations, il est possible de réduire les coûts d'acquisition du trafic, d'augmenter les ventes et les transactions réalisées en ligne et ainsi générer des profits

sur votre site Internet. Toutefois, faire des analyses pertinentes et bien optimiser les parcours des visiteurs ne s'improvise pas. Pas à pas, cet ouvrage vous aidera à maîtriser les principaux concepts du Web Analytics ainsi qu'à mettre en place votre propre programme d'analyse, de test et d'optimisation. Cette deuxième édition, révisée et augmentée, offre une vingtaine de témoignages de Web analystes et de dirigeants d'entreprises aussi bien en Europe qu'en Amérique du Nord.
