Nick is a bored, thirty-something art teacher, with a long backlog of doomed romances. Wendy is an aspiring young artist, whose family life is killing her. Nick and Wendy meet and fall in love, and their world starts to spin out of control. They keep on the move. In London they explore the limits of their bodies. In Bath they seal old wounds. In Leicester they ditch normality, throwing themselves into a summer that will stain them forever. As relationships blend and friendships strain, they travel through obscure towns to the mountains of Skye, driven on by the man who pursues them.

Award-winning storyteller David Lubar's third collection of warped and creepy tales, in which the young protagonists encounter monsters of every kind, from a thirsty vampire and wandering ghost to a dreaded math teacher and overly enthusiastic Girl Scout leader. A boy discovers the answer to one of the great urban mysteries: why are pigeons always pooping in parks? A second-grade class learns why they should always be nice to their math teacher....An ancient predator uses the internet to search out its prey... A young girl and her little brother escape a campfire weenie only to encounter something even more terrifying: a troop of Girl Scouts singing campfire songs. For this, his third collection of warped and creepy "weenie" tales, critically-acclaimed author and master of the macabre David Lubar traveled deep into the shadowy corners of his mind, looking for new ways to amuse and terrify his readers. And in the tradition of *In the Land of the Lawn Weenies* and *Invasion of the Road Weenies*, he reveals the inspiration behind each of the thirty-five stories at the end of the book. The incredible true story of Meb Keflezighi, winner of the 2014 Boston Marathon! When Meb Keflezighi signed up to run the Boston Marathon in 2014, no one expected him to be the first to cross the finish line. But if there's one thing Meb knows how to do, it's overcome. Yet Meb is the living embodiment of the American dream. His family came to the U.S. to escape poverty and a violent war; 12-year-old Meb spoke no English at the time and had never raced a mile. Thanks to hard work and determination, he excelled academically and became an Olympic silver medalist. But it all came crashing down when Meb, a favorite for the Beijing Olympics, fractured his hip and pelvis during the trials and was left literally crawling. That same day, he lost his close friend and fellow marathoner to a cardiac arrest. Devastated, Meb was about to learn whether his faith in God, the values his parents had taught him, and his belief that he was born to run were enough to see him through. *Run to Overcome* is the story of a true American champion who discovered the real meaning of victory against all odds. Now with an updated chapter after Meb's amazing finish in Boston.
