This is the unforgettable showdown between these Darkovan lords who would bargain away their world for the glories of Terran science and those who would preserve the special matrix powers that are at once the prize and burden of Darkover. The Sharra Matrix had been exiled offworld to one of the far-flung planets of the Terran Empire, in the

guardians - fanatics who protected those powers so that the planet of the ruddy sun might never fall beneath the influence of the materialistic Terrans. The four who found themselves fused into a terrifying unity in that defiance were two men and two women. The men were Damon Ridenow, a Comyn of the ruling caste, and Andrew Carr, the Earthman who had won for himself the right of clan-entry. The women were Ellemir, betrothed of Damon, and Callista, who foreswore her vows to seek the love of the alien from the stars.
