In this pop Christian culture many believers have never been exposed to the great truths upon which the Church of Jesus Christ has been built. One of those forgotten truths is the purpose and power of the blood of Jesus. We sing about it in our hymns, there is power in the blood, but few of us have experienced the reality of those words. Chavda carefully lays the foundation as he presents a refreshing look at the importance of the blood of Jesus in the life of the believer. The Hidden Power of the Blood of Jesus is theologically sound but passionately written in a way that the reader

will gasp for air as he discovers each new truth. Chavda will transform your thinking on the 'blood of Jesus' as he lifts it out of its stuffy theological setting and makes it practical in your life.

3D Madness! takes advantage of the growing interest in this area of computer graphics. 3D Madness! includes lots of tips, tricks, and traps as well as a Top 100 Graphics Techniques featured in the text and referenced in a jump table on the inside front cover. The CD-ROM is filled with 3D software. The disk contains a subset of the material on the CD-ROM.

The object of this series, though it has been prepared with special reference to the young, and is written to a considerable extent in a narrative form, is not mainly to amuse the readers with the interest
