EASY BAKE COVEN Katie Lightfoot's tired of loafing around as the assistant manager of an Ohio bakery. So when her aunt Lucy and uncle Ben open a bakery in Savannah's quaint downtown district and ask Katie to join them, she enthusiastically agrees. While working at the Honeybee Bakery—named after Lucy's cat—Katie notices that her aunt is adding mysterious herbs to her recipes. With the help of handsome journalist Steve Dawes, charming firefighter Declan McCarthy, and a few spells, Katie and Aunt Lucy stir up some toil and trouble to clear Ben's name and find the real killer..

Most of us grew up with Aesop's Fables—tales of talking animals, with morals attached. In fact, the familiar versions of the stories attributed to this enigmatic and astute storyteller are based on adaptations of Aesop by the liberated Roman slave Phaedrus. In turn, Phaedrus's renderings have been rewritten so extensively over the centuries that they do not do justice to the originals. In Aesop's Human Zoo, legendary Cambridge classicist John Henderson puts together a surprising set of up-front translations—fifty sharp, raw, and sometimes bawdy, fables by Phaedrus into the tersest colloquial English verse. Providing unusual insights into the heart of Roman culture, these clever poems open up odd avenues of ancient lore and life as they explore social types and physical aspects of the body, regularly mocking the limitations of human nature and offering vulgar or promiscuous interpretations of the stuff of social life. Featuring folksy proverbs and satirical anecdotes, filled with saucy naughtiness and awful puns, Aesop's Human Zoo will amuse you with its eccentricities and hit home with its shrewdly candid and red raw messages. The entertainment offered in this volume of impeccably accurate translations is truly a novelty—a good-hearted and knowing laugh courtesy of classical poetry. Beginning to advanced classicists and Latin scholars will appreciate the original Latin text provided in this bilingual edition. The splash of classic Thomas Bewick wood engravings to accompany the fables renders the collection complete.

Using the credit card and identity of a handA-cuffs salesman, professional failure Tyndale Corbett arrives in Miami for a law-enforcement conference to discover the joys of luxury hotels and above all the delight of being someone else, someone successful. He will up the ante substantially, exponentially, and pretend to be someone really important and successful: God. His mission to convince the citizenry of Miami that he is, despite appearances, the Supreme Being results in him taking over the Church of the Heavily Armed Christ. His duties there involve him in forming a private army, hiring call girls, trafficking coke, issuing death threats, beating off church-jackers and sorting out (as almightily as possible) various problems his parishioners are having with pets. All the while he is working on his grand project, the clincher miracle, dying and coming back to life...
