~~Devil's Bargain (Red Letter Days Book 53) eBook: Caine~~

Devil's Bargain started out as a calm mystery and turned into an enthralling read. There is romance, a touch of paranormal, plot twists, and heart pounding action. Jazz used to be a decorated homicide detective until her partner was found guilty of murder. No longer on the force and unable to exonerate her partner, she has reached a low point.

Devil's Bargain (Red Letter Days #1) - Page 5/10 W hen she woke up, it was morning, and she had a visitor. For a cold second she thought it was Stewart sitting in the shadows watching her, and how creepy would that have been, to have that vulture staring at her in her sleep, but no, this was a tall shadow, kind of lanky.

Jazz Callender - don't ever call her Jasmine - is an ex-cop with a goal: opening her own private detective agency and proving her former partner is innocent of murder. Too bad no one will lend her the money. Until a sexy lawyer with the devil's own grin appears with an offer she can't refuse... \$100,000. A savvy new partner. And an agreement to make any case arriving via red envelope a top priority. But if Jazz accepts, there's no turning back. Because once she opens that envelope, all hell's gonna break loose...

DANCING WITH THE DEVIL Alpha Deep Six. Wet work specialists so covert, they were thought dead. Now this paramilitary group of black ops assassins and saboteurs has been resurrected in a conspiracy engineered somewhere in the darkest corners of military intelligence. Their mission: unleash Armageddon. They've got America's most determined enemies ready to jump-start the nightmare, and the countdown has begun. Blood and terror are pouring through America's streets. A presidential directive has cut through red tape, dropped Mack Bolan square in charge. His orders are clear: abort the enemy's twisted dreams. If Bolan survives, then it gets really personal. Because Alpha Deep Six has a hostage. A Stony Man operative...

Courting Danger by Carol Stephenson released on Jul 12, 2005 is available now for purchase.

The Beast Within by Suzanne McMinn released on Jun 21, 2005 is available now for purchase.

Presenting a series of essays about the cancelled television program "Firefly," discussing the cult appeal of its characters, the difficulties of its plot, and the conflict between its creator and television executives which caused its run to be short-lived.

This study provides the first comprehensive examination of every prop in Shakespeare's plays, whether mentioned in stage directions, indicated in dialogue or implied by the action. Building on the latest scholarship and offering a witty treatment of the subject, the authors delve into numerous historical documents, the business of theater in Renaissance England, and the plays themselves to explain what audiences might have seen at the Globe, the Rose, the Curtain, or the Blackfriars Playhouse, and why it matters. Students of the plays will be able to read beyond Shakespeare's words and visualize the drama as it might have appeared on the stage. Scholars will find a wealth of previously unmined material for reconstructing Renaissance theatrical practices. School drama groups, amateur theaters and directors and prop masters of professional troupes will find help in mounting their own productions as the Bard's audiences would have seen them.

The psychic world will never be the same again.

When a rake beyond redemption... A walking scandal surviving on little more than wits, whisky, and wicked skills in the bedchamber, Benedict Chatham, the new Marquess of Rutherford, is at the end of his rope. Deeply in debt and down to his last farthing, he must marry nothing short of an absolute fortune, or risk utter ruin. Must marry for money... Enter Miss Charlotte Lancaster, unfashionably tall heiress to just such a fortune and a clumsy, redheaded disaster in her five London seasons. While she dreams of leaving England for a life of trade in America, her father schemes to trade her dowry for a title—and Marchioness of Rutherford

will do nicely. Charlotte wants her independence, not a husband, and certainly not a disreputable devil who renders her weak and wobbly with a single scorching glance. But she's a practical sort, and a year with the devil might buy her freedom ... provided she can resist his seductive charms. That shouldn't prove a problem, for he could not possibly want someone like her, and the feeling is mutual. Really. It is. Love grows in the most unexpected places... When her father demands a startling price for his daughter's hand—one year of fidelity and sobriety—Chatham must change his libertine ways ... at least temporarily. And when he does, Charlotte begins to see him in a new light—not as the scandalous charmer she married, but as the husband she just might adore.
