This unique and authoritative dictionary contains over 1,100 of the most widely used proverbs in English, utilizing the latest research from Oxford Dictionaries to source them. This edition has been thoroughly revised and updated, broadening the cultural range of the proverbs selected, and covering sayings of international origins. With a strong emphasis on concisely explaining the meaning of the proverbs described, the dictionary also provides additional examples of usage, and includes a fascinating history for many entries. Arranged in A-Z order and with a useful thematic index, A Dictionary of Proverbs is ideal for browsing and perfectly suited for quick reference. Look up your old favourites, learn punchy new expressions to get your point across, and find the answer to that crossword clue. It is never too late to learn: find proverbs relevant to every aspect of life in this entertaining and informative collection.

The main objective of this book is to provide you an impressive and invaluable collection of English proverbs and sayings with their explanations included, so as to enrich your English knowledge. A proverb is a simple, concrete, traditional saying that expresses a perceived truth based on common sense or experience. Proverbs are often metaphorical and use formulaic language. Collectively, they form a genre of folklore. Knowing these proverbs and sayings will enhance your English skills. Thus you will be able to communicate better. Proverbs are found in a wide variety of contexts. You may have noticed them in songs, in film titles or even in newspaper headlines. It is important to remember that proverbs and sayings are sometimes used when speaking both formally and informally. This book has more than 1,400 proverbs and sayings for you to discover or rediscover. At the end of this book, as a bonus for you, I have chosen and wrote 327 most famous English quotations. You may find them quite inspiring... I hope you find this book very useful and recommend it to your peers! Good luck!

Contains over 15,000 proverbs used in the United States and Canada which have British, classical, Biblical, and European origins

This dictionary contains 2,375 Russian sayings and proverbs and their English counterparts. Variants of each saying are included, and careful attention is given to the differences in British and American versions. For example, the Russian saying that is interpreted as "Children behave in a childish way, and they cannot be expected to act like grown-up people," is first given in Russian (in the Cyrillic alphabet) and then in English, and is then followed by the nearest English-language equivalent sayings in Britain and the United States: "Young colts will canter" (British) and "Boys will be boys" (American).

The proverbs and sayings are arranged alphabetically by the first Russian word (in the Cyrillic alphabet) and are cross-referenced so the reader can find analogous Russian versions of English sayings. There is a keyword index for each language (one in English, one in Russian in the Cyrillic alphabet), which allows the reader to find a proverb or a saying without knowing the first word. Proverbs and sayings are current and include those popular in both spoken Russian and literature. The prefatory matter is in both English and Russian, for readers who have a command of either language.

This dictionary assembles 3,246 English proverbs and thousands of equivalents in five national Romance languages: French, Italian, Spanish, Portuguese and Romanian. The Dictionary is a very useful reference tool for scholars of these languages, for researchers working in various associated fields such as linguistics, literature, folklore, anthropology, psychology, sociology, history, and for workers in newer areas such as advertising and contemporary media. The Dictionary is also of benefit to diplomats and politicians who try to improve their communication by sharing ideas formulated in some common meaningful expressions; it will assist interpreters and translators, and teachers and students for whom it is important to understand not only what the target culture expresses in the same way as their own, but also what is formulated in a different way. Finally, the Dictionary will be of great interest to non-professionals who, for the sheer enjoyment of it, wish to savour the wisdom, wit, poetry and the colourful language of proverbs.

Entertaining and informative, this rich and diverse collection of over 6000 proverbs (and their origins) is a delight to browse and the perfect addition to any home reference shelf.
