Rumor has it that the number one least appreciated and fantastic fantasy writer of the English language in the United States is Diana Wynne Jones. Rumor also has it that one of her best written works (little known) is the delightful "Dogsbody".

 Dogsbody book by Diana Wynne Jones - ThriftBooks
Dogsbody is not a book I chose by browsing. The decision to buy it was because John Scalzi, the science-fiction writer, wrote about it on his blog (where he posted the sad news that Diana Wynne Jones had passed away on 26th March 2011). I'm very glad Mr. Scalzi did mention Dogsbody because it is a wonderful book. It is not without some flaws.

 DOGSBODY: Amazon.co.uk: Jones: Books
Diana Wynne Jones (16 August 1934 – 26 March 2011) was an English novelist, poet, academic, literary critic, and short story writer. She principally wrote fantasy and speculative fiction novels for children and young adults.Although usually described as fantasy, some of her work also incorporates science fiction themes and elements of realism.Jones' work often explores themes of time travel ...

 Sirius the dog star is reborn on Earth as a puppy with a mission to search for the lost Zoi, the murder weapon of the stars.
A funny, heartbreaking, stunning book by the legendary Diana Wynne Jones—with an introduction by Neil Gaiman. The Dog Star, Sirius, is tried - and found guilty - by his heavenly peers for a murder he did not commit. His sentence: to live on the planet Earth until he can carry out a seemingly impossible mission - the recovery of a deadly weapon known as the Zoi. The first lesson Sirius learns in his lowly earthly form is that humans have all the power. The second is that even though his young mistress loves him, she can't protect either of them. The third - and worst - is that someone out there will do anything to keep Sirius from finding the Zoi. Even if it means destroying Earth itself. This funny, heartbreaking, stunning book features an introduction by Neil Gaiman, an avid fan of Diana Wynne Jones.

 A powerful being fights for his life within the body of a humble, earthbound puppy.
Sirius the dog star is reborn on Earth as a puppy with a mission to search for the lost Zoi, the murder weapon of the stars.

 Ayna could predict the future. Cari could find what was lost. Gair thought he was ordinary. The three children of Gest, the chief of Garholt, know the perils of the Moor on which they live. The Dorig, their people's enemies, are cold-blooded, fierce underwater creatures who terrify anyone unlucky enough to happen upon them. The Giants are dangerous and violent. But it's not until their home is invaded that Gair learns of a dying curse that endangers all three peoples of the Moor. A curse that ordinary Gair, with the help of his extraordinary brother and sister, may be able to break, but only at the most dreadful risk to all three, and to the Moor itself.
A thrilling story by the legendary Diana Wynne Jones—with an introduction by Ursula K. Le Guin. London, 1939. Vivian Smith thinks she is being evacuated to the countryside, because of the war. But she is being kidnapped - out of her own time. Her kidnappers are Jonathan and Sam, two boys her own age, from a place called Time City, designed especially to oversee history. But now history is going critical, and Jonathan and Sam are convinced that Time City's impending doom can only be averted by a twentieth-century girl named Vivian Smith. Too bad they have the wrong girl. . . .

 A fantastic tale by the legendary Diana Wynne Jones—with an introduction by Garth Nix. Polly Whittacker has two sets of memories. In the first, things are boringly normal; in the second, her life is entangled with the mysterious, complicated cellist Thomas Lynn. One day, the second set of memories overpowers the first, and Polly knows something is very wrong. Someone has been trying to make her forget Tom - whose life, she realizes, is at supernatural risk. Fire and Hemlock is a fantasy filled with sorcery and intrigue, magic and mystery - and a most unusual and satisfying love story. Widely considered to be one of Diana Wynne Jones's best novels, the Firebird edition of Fire and Hemlock features an introduction by the acclaimed Garth Nix - and an essay about the writing of the book by Jones herself.
The trouble started when Howard Sykes came home from school and found the "goon" sitting in the kitchen. He said he'd been sent by Archer. But who was Archer? It had to do with the 2,000 words that Howard's author father had failed to deliver. It soon became clear not only that Archer wanted those words, but that his wizard siblings, Hathaway, Dillian, Shine, Torquil, Erskine, and Venturus, would also go to any lengths to get them. Although each wizard ruled a section of the town, he or she was a prisoner in it. Each suspected that one of them held the secret behind the words, and that secret was the key to their freedom. Which one of them was it? The Sykes family become pawns in the wizards' fight to win their freedom, wrest control from one another, and fan out to rule the world. Diana Wynne Jones skillfully guides the reader through a riveting, twisty plot, with satisfying surprises at every amazing turn. An exciting science fiction adventure where, happily, nothing is what it first seems to be.

 " All I did was ask you for a role-playing game. You never warned me I ' d be pitched into it for real! And I asked you for hobbits on a Grail quest, and not one hobbit have I seen! "
"Just kindle a flame and I'll be with you." It's summer vacation, but David's miserably stuck with his unpleasant relatives. Then a strange boy named Luke turns up, charming and fun, joking that David has released him from a prison. Or is he joking? He certainly seems to have strange powers, and control over fire . . . Luke has family problems of his own, and some very dark secrets. And when David agrees to a bargain with the mysterious Mr. Wedding, he finds himself in a dangerous hunt for a lost treasure, one that will determine Luke's fate!
