I live in Sydney Australia with my husband and two white cats. I also have Bi-polar and schizo-effective disorder. Which means that I can't work full time so writing is an excellent way to make a bit of extra cash as well as have a creative outlet. I also have studied acting and singing but I have found my true calling to be writing, in which I hope I can also inspire other people to follow their dreams. I also love of course reading and watching movies. My good friend Rebecca Issac drew the illustrations for the book. In which I think she has done an excellent job. I hope you enjoy reading little Peter potty mouth and I look forward to reading some feedback. yours sincerely Sabina Bucik
