Boudica 1

Dreaming the Eagle is the first part of the gloriously imagined epic trilogy of the life of Boudica. Boudica means Bringer of Victory (from the early Celtic word “boudeg”). She is the last defender of the Celtic culture in Britain; the only woman openly to lead her warriors into battle and to stand successfully against the might of Imperial Rome -- and triumph.

along that totally remoulds a historical figure for our own times ... massively impressive." -- Scotland on Sunday

"Manda Scott has created a fictional universe all her own, but close enough to our reality for it both to warm and break our hearts. Breathtakingly good, it reveals the best and worst in all of us." -- Val McDermid

"This book captured my imagination from the first page. I was swept away by the world that Manda creates with her writing. I couldn't put it down and was on to the next book as quick as I could get my hands on it." - ***** Reader review

"Absolutely riveted to the book for the time it's taken to read it. Been very difficult to stop and put the book down to sleep." -- ***** Reader review

***** Britain has produced many fierce, noble warriors down the ages who have fought to keep Britain free, but there was one formidable lady in history whose name will never be forgotten... AD 60: Boudica, war leader of the Eteni, leads her people in a final bloody revolt against the occupying armies of Rome - an occupying force that seeks to crush a vibrant, complex civilization and replace it with the laws, taxes and slavery of the Roman Empire. But how did Boudica come to be Britain's first and greatest warrior queen? How does Breaca - who kills her first warrior at the age of twelve - go on to lead an uprising and become one of the great female icons? Boudica: Dreaming The Eagle takes us right back to her humble origins and recreates the beginnings of a coming of age story so powerful its impact has survived through the ages. This is the unforgettable world of tribal Britain in the years before the Romans came: a twilight world of Dreamers and the magic of the gods; a world where warriors fight for honour as much as victory. It is a world of passion and courage and spectacular, heart-felt heroism pitched against overwhelming odds... Boudica's story continues in Boudica: Dreaming the Bull.

Where To Download Dreaming The Eagle Boudica 1 Manda Scott

"In AD 60, Boudica, war leader of the Eцени, led her people in a final bloody revolt against the occupying armies of Rome. It was the culmination of nearly twenty years of resistance against an occupying force that sought to crush a vibrant, complex civilization and replace it with the laws, taxes and slavery of the Roman Empire. Gloriously imagined, Boudica-Dreaming the Eagle recreates the beginnings of a story so powerful its impact has survived through the ages, recounting the journey to adulthood of Breaca, who at twelve kills her first warrior, and her sensitive, skilful half-brother B n, who carries with him a vision of the future that haunts his waking hours. In the company of a supreme storyteller, the reader is plunged into the unforgettable world of tribal Britain in the years before the Romans came- a twilight world of Dreamers and the magic of the gods; a world where horses and dogs and the landscape itself become characters in their own right; where warriors fight for honour as much as victory. Above all, it is a world of passion and courage and spectacular, heart-felt heroism pitched against overwhelming odds. Manda Scott's Boudica will tell the extraordinary

The second part of the stunning fictionalization of the life of Britain's warrior queen, Boudica, immerses us in a world of druids and dreamers, warriors and lovers, passion and courage. Originally a trilogy, this is now a four-part series. "Boudica" means "Bringer of Victory" (from the early Celtic word "boudeg"). She was the last defender of the Celtic culture; the only woman openly to lead her warriors into battle and to stand successfully against the might of Imperial Rome -- and triumph. Book one, Dreaming the Eagle, took readers from Boudica's girlhood with the Eцени tribe to the climax of the two-day battle when she and her lover, Caradoc, faced the invading Romans. Believing her dead, Breaca's beloved brother, Bán, joined the Roman cause. Dreaming the Bull, the

Where To Download Dreaming The Eagle Boudica 1 Manda Scott

second book in this compelling series, continues the intertwined stories of Boudica, and Bán, now an officer in the Roman cavalry. They stand on opposite sides in a brutal war of attrition between the occupying army and the defeated tribes, each determined to see the other dead. In a country under occupation, Caradoc, lover to Breaca, is caught and faces the ultimate penalty. Only Bán has the power to save him, and Bán has spent the past ten years denying his past. Treachery divides these two; heroism brings them together again, changed out of all recognition -- but it may not be enough to heal the wounds. Dreaming the Bull is a heart-stopping story of war and of peace; of love, passion and betrayal; of druids and warring gods, where each life is sacred and each death even more so; and where Breaca and Bán learn the terrible distances they must travel to fulfill their own destinies.

AD 57: Caradoc is lost forever, betrayed to Rome and exiled in Gaul, leaving Boudica bereft, to lead the tribes of the west in an increasingly bloody resistance against Roman occupation. Only if she can drive Rome from the land will she find the peace she needs and to do that, she must raise once again the tribes of the east. Her people, the Eцени, languish in the shadow of the Legions, led by a man who proclaims himself King and yet allows slavers to trade freely in his lands. Too notorious to reclaim her own birthright, Boudica strives instead to return her daughters to their heritage. Across the sea, Boudica's half-brother, Bán, has been named traitor by both sides. He too, seeks peace on a journey that takes him from the dreaming tombs of the ancestors to the cave of a god he no longer serves. Only if Boudica and Bán meet can their people — and all of Britannia — be saved. But the new governor has been ordered to subdue the tribes or die in the attempt, and he has twenty

Where To Download Dreaming The Eagle Boudica 1 Manda Scott

thousand legionaries ready to stop anyone, however determined, from bringing Britain to the edge of revolt....

The Sunday Times bestselling author Manda Scott brings Ancient Rome to life in this memorable tale of treachery, espionage and violence. Perfect for fans of Simon Scarrow, Robert Harris and Conn Iggulden. "Superior in almost every way...one of the most entertaining "Roman" novels I have read...Head and shoulders above the crowd" -- Simon Scarrow "Intricately woven, cleverly plotted. Miss this at your peril!" - Ben Kane "Excellent series - each book was a joy to read - final book kept you guessing right up until the end" -- ***** Reader review "A superb and exciting read, finished at 3am, and which I cannot recommend enough..." -- ***** Reader review "There's only one way in which I could say Manda Scott's work is predictable: every time I pick up a new Scott book, I can guarantee it will be new, refreshing, fascinating and totally different from anything that's gone before." -- ***** Reader review

***** ROMEO ON A KNIFE EDGE. A TRAITOR IN THE MIDST. Rome: AD69. The Year of the Four Emperors. Three Emperors have ruled in Rome this year and a fourth, Vespasian, has been named in the East. As the legions march toward civil war, Sebastos Pantera, the spy whose name means leopard, returns to Rome intent on bribery, blackmail and persuasion: whatever it takes to bring the commanders and their men to Vespasian's side. But in Rome, as he uses every skill he has ever learned of subterfuge, codes and camouflage, it becomes clear that one of those closest to him is a traitor, who will let Rome fall to destroy him. Together the two spies spin a web of deceit with Rome as the prize and death the only escape.

This vivid and bloodthirsty tale explores the true story of the

Where To Download Dreaming The Eagle Boudica 1 Manda Scott

woman who took on the might of the greatest power of the ancient world and nearly drove it out of part of its empire.

THRILLER OF THE MONTH 'Superb . . . a blend of historical imagination and storytelling verve reminiscent of Robert Harris.' The Sunday Times 'The most exciting, involving thriller I've read in an age, and I can't recommend it highly enough.' Mick Herron * A Treachery of Spies is an espionage thriller to rival the very best, a high stakes game of cat-and-mouse, played in the shadows, which will keep you guessing every step of the way. A body has been found. The elderly victim's identity has been cleverly obscured but one thing is clear: she has been killed in the manner of traitors to the Resistance in World War Two. To find answers in the present, police inspector Inès Picaut must look to the past; to 1940s France, a time of sworn allegiances and broken promises, where the men and women of the Resistance fought for survival against Nazi invaders. But, as Picaut soon discovers, there are those in the present whose futures depend on the past remaining buried, and who will kill to keep their secrets safe. Old fashioned espionage might be a thing of the past but treachery is as dangerous as ever. * 'This is a rich vein for fiction, and Scott does it more than justice, with this beautifully imagined, beautifully written, smart, sophisticated - but fiercely suspenseful - thriller.' Lee Child 'The most exquisite story of heroism, deception, love and treachery you'll find this year.' Simon Mayo 'A fast-moving tightly-wrought thriller. The destination is in fact as unexpected as it's satisfying - and very thought-provoking.' Robert Goddard 'A Treachery of Spies is a masterclass in thriller-writing. It is a heart-racing, heart-wrenching read, conceived with passion and executed with frightening skill. An awe-inspiring achievement.' Giles Kristian

Where To Download Dreaming The Eagle Boudica 1 Manda Scott

A major triumph of historical fiction, *The Druid King*, is a masterly retelling of the life of the legendary general Vercingetorix and his brilliant crusade against the Roman invasion of Gaul. Vercingetorix was both a man of myth and a real historical figure—he managed, where others had failed, to unite the tribes of Gaul and lead them against the might of the entire Roman empire. After watching his father’s harrowing death, young Vercingetorix retreats to the forest where he learns the ways of the druids. Soon he must return to civilization to reclaim his birthright and his father’s honor, but the city of his birth has changed. Now, he must confront the greatest military power the world has even known—the Roman legions of Julius Ceasar. This is the story of Vercingetorix, Druid King of Gaul.

King, warrior, and lover Brian Boru was stronger, braver, and wiser than all other men—the greatest king Ireland has ever known. Out of the mists of the country’s most violent age, he merged to lead his people to the peak of their golden era. His women were as remarkable as his adventures: Fiona, the druidess with mystical powers; Deirdre, beautiful victim of a Norse invader’s brutal lust; Gormlaith, six-foot, red-haired goddess of sensuality. Set against the barbaric splendors of the tenth century, *Lion of Ireland* is a story rich in truth and legend—in which friends become deadly enemies, bedrooms turn into battlefields, and dreams of glory are finally fulfilled. Morgan Llywelyn has written one of the greatest novels of Irish history. At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

“Outlander meets Camelot” (Kirsty Logan, author of *The Gracekeepers*) in the first book of an exciting historical trilogy that reveals the untold story of Languoreth—a powerful and, until now, tragically forgotten queen of sixth-century

Where To Download Dreaming The Eagle Boudica 1 Manda Scott

Scotland—twin sister of the man who inspired the legendary character of Merlin. Intelligent, passionate, rebellious, and brave, Languoreth is the unforgettable heroine of *The Lost Queen*, a tale of conflicted loves and survival set against the cinematic backdrop of ancient Scotland, a magical land of myths and superstition inspired by the beauty of the natural world. One of the most powerful early medieval queens in British history, Languoreth ruled at a time of enormous disruption and bloodshed, when the burgeoning forces of Christianity threatened to obliterate the ancient pagan beliefs and change her way of life forever. Together with her twin brother Lailoken, a warrior and druid known to history as Merlin, Languoreth is catapulted into a world of danger and violence. When a war brings the hero Emrys Pendragon, to their door, Languoreth collides with the handsome warrior Maelgwn. Their passionate connection is forged by enchantment, but Languoreth is promised in marriage to Rhydderch, son of the High King who is sympathetic to the followers of Christianity. As Rhydderch's wife, Languoreth must assume her duty to fight for the preservation of the Old Way, her kingdom, and all she holds dear. “Moving, thrilling, and ultimately spellbinding” (BookPage), *The Lost Queen* brings this remarkable woman to life—rescuing her from obscurity, and reaffirming her place at the center of the most enduring legends of all time. “Moving, thrilling, and ultimately spellbinding, *The Lost Queen* is perfect for readers of historical fiction like *The Clan of the Cave Bear* and *Wolf Hall*, and for lovers of fantasy like *Outlander* and *The Mists of Avalon*” (BookPage).
