Rethinks the criteria governing agency and receptivity, health and toxicity, productivity and stillness

Semi-autobiographical poems in English about life as a Cuban American, women's experiences, and related topics explore the role of language in identity.

WATCH OUT! Side effects of reading this book include a sudden surge of

self-esteem and unprecedented decisiveness in making marketing decisions. Also common are a lifetime addiction to web automation and web data scraping. After reading this book, if you spend more than 4 hours with web bots a day, call a therapist right away. WHAT'S THIS BOOK ABOUT? I'm sure you've wondered why your competitors' books are selling better than yours. In a perfect world governed by meritocracy, your books would have been selling much better than your competitors'. But Amazon is not that perfect world. Amazon is a jungle where the street-smart prevail and prosper. What if I tell you the key is marketing? "Here we go again," you roll your eyes: "Who hasn't heard that before? Tell me something I don't know." What if I tell you the key is marketing with webbots? Would I get your full attention? This book may just be the ultimate answer to questions that have been bothering you. I have no doubt it will put energy, wisdom and tangible result in your next book marketing move.

"Slow violence" from climate change, toxic drift, deforestation, oil spills, and the environmental aftermath of war takes place gradually and often invisibly. Rob Nixon focuses on the inattention we have paid to the lethality of many environmental crises, in contrast with the sensational, spectacle-driven messaging that impels public activism today.
