Benefit from Category wise & Chapterwise Question Bank Series for Class 10 ICSE Board Examinations (2022) with our Most Likely ICSE Question Bank for Chemistry. Subjectwise book dedicated to prepare and practice effectively each subject at a time. Consist of Chemistry subject - having fill in the blanks, match the column, mcqs, one word or chemical term, identification of gases, state the observation, define and explain the following, IUPAC Nomenclature, short answers, numericals, chemical tests, figure or table based questions, balancing and writing the structural formula, etc. Our handbook will help you study and practice well at home. Why should you trust Oswal Books - Oswal Publishers? Oswal Publishers has been in operation since 1985. Over the past 30 years, we have developed content that aids students and teachers in achieving excellence in education. We create content that is extensively researched, meticulously articulated, and comprehensively edited ? catering to the various National and Regional Academic Boards in India. How can you benefit from Oswal Most Likely ICSE Chemistry Question Bank for 10th Class? Our handbook is strictly based on the latest syllabus prescribed by the council and is categorized chapterwise topicwise to provides in depth knowledge of different concept questions and their weightage to prepare you for Class 10th ICSE Board Examinations 2022. Having one subject per book, including chapter at a glance, word of advice by experts, each category of our question bank covers the entire syllabus at a time. Apart from study material, frequently asked previous year's board
