research in the proper context. The text offers a balanced, unified treatment of the four main types of financial investments—stocks, bonds, options, and futures. Topics are organized in a way that makes them easy to apply—whether to a portfolio simulation or to real life—and supported with hands-on activities. Then, resources within Connect help students solve financial problems and apply what they've learned. Jordan's managerial perspective and superior pedagogy combine with a complete digital solution to help students achieve higher outcomes in the course.

Provides students with an inexpensive note-taking system that contains a reduced copy of every slide in the PowerPoint presentation.

Discover how practical international finance can be with the unique blend of international finance theory and current applications found in INTERNATIONAL FINANCIAL MANAGEMENT, ABRIDGED EDITION, 9E. Using familiar companies such as Nike, author Jeff Madura clearly explains international finance in understandable terms with the support of hands-on applications. The book focuses on management decisions that maximize a firm's value. Readers examine some of the latest

developments in international finance with the text's timely examples and extensive links to related Internet content. New Excel exercises and a variety of multinational corporation projects help readers refine their international finance skills. This Abridged Edition provides flexibility and an economical text choice by offering all chapters from the Full Edition but makes several of the chapters that are less frequently used available online at <http://academic.cengage.com/finance/madura>. Readers develop the international finance management skills needed to succeed in today's ever-changing market with the balance of solid theory and practical applications found in Madura's INTERNATIONAL FINANCIAL MANAGEMENT, ABRIDGED EDITION, 9E.
