Known as the heart of the EZGO golf cart, the controller's core objective is to control the speed of the golf cart. It is a needed component in a AC and brushless DC motor. Without the controller, the golf cart will not work. The speed controller is not present in the DC motor vehicles, which is why they do not have varying speeds.

NEW YORK TIMES BESTSELLER "Reilly pokes more holes in Trump's claims than there are sand traps on all of his courses combined. It is by turns amusing and alarming." -- The New Yorker "Golf is the spine of this shocking, wildly humorous book, but humanity is its flesh and spirit." -- Chicago Sun-Times "Every one of Trump's most disgusting qualities surfaces in golf." -- The Ringer An outrageous indictment of Donald Trump's appalling behavior when it comes to golf -- on and off the green -- and what it reveals about his character. Donald Trump loves golf. He loves to play it, buy it, build it, and operate it. He owns 14 courses around the world and runs another five, all of which he insists are the best on the planet. He also claims he's a 3 handicap, almost never loses, and has won an astonishing 18 club championships. How much of all that is true? Almost none of it, acclaimed sportswriter Rick Reilly reveals in this unsparing look at Trump in the world of golf. Based on Reilly's own experiences with Trump as well as interviews with over 100 golf pros, amateurs, developers, and caddies, *Commander in Cheat* is a startling and at times hilarious indictment of Trump and his golf game. You'll learn how Trump cheats (sometimes with the help of his caddies and Secret Service agents), lies about his scores (the "Trump Bump"), tells whoppers about the rank of his courses and their worth (declaring that every one of them is worth \$50 million), and tramples the etiquette of the game (driving on greens doesn't help). Trump doesn't brag so much, though, about the golf contractors he stiff, the course neighbors he intimidates, or the way his golf decisions wind up infecting his political ones. For Trump, it's always about winning. To do it, he uses the tricks he picked up from the hustlers at the public course where he learned the game as a college kid, and then polished as one of the most bombastic businessmen of our time. As Reilly writes, "Golf is like bicycle shorts. It reveals a lot about a man." *Commander in Cheat* "paints a side-

splitting portrait of a congenital cheater" (Esquire), revealing all kinds of unsightly truths Trump has been hiding.

Shows how to convert Volkswagens into dune buggies, offers tips on off-road racing, and includes advice on safety and first aid

A businessman who sells and rents golf carts for a living explains how to operate them safely, make them last, and enjoy them to the fullest.

People are as interesting in painting and customizing now, as they were when this material was first created, in the 1950s. Everyone wants to know how to do a flame job, or how to run a pair of pinstripes straight down the side of their car. In this book George Barris explains how he and brother Sam did their custom painting and early flame jobs in the 1950s. No one can tell this story as well as George Barris, a fine photographer and the man who built many of the cars shown in the book. This particular book, Volume 4, contains more than just the photos and words of George Barris. This volume contains first-person side-bars by legendary painters and builders like Dean Jeffries and Larry Watson, describing how they developed their talents and what it was like to customize cars in those days.

Morgan knew she didn't want to go out to sea...now she knew why. The simple act of a surprise birthday party brings trouble from the depths off Pearl Island, and Morgan is forced to solve a murder and confront the threat to the island. It's her destiny to protect Pearl Island and

it's residence, just as it's Cora's destiny to try and destroy Morgan. The sea witch is full of trickery and malice as she tries to lure a group of ocean salvage divers with the promise of gifts from the sea. But Morgan, with the help of her friends Gabe Holleran and the Colbright sisters, plans her own slight-of-hand. Who will win this battle? As Morgan tries to find the murderer, she also finds more about the history of Pearl Island and the roles the Seaver Family has played in the battles against the tricks and deceptions of the sea witch.

NEW YORK TIMES BEST SELLER - A hilarious novel of social and political intrigue, set against the glittering backdrop of Florida's gold coast, from the author of *Skinny Dip* and *Razor Girl* "If you could use some wild escapism right now, Hiaasen is your guy." --The New York Times WITH A NEW EPILOGUE At the height of Palm Beach's charity ball season, Kiki Pew Fitzsimmons, a prominent member of geriatric high society, suddenly vanishes during a swank gala. Kiki Pew was a founding member of the Potussies, a group of women dedicated to supporting the President, who spends half the year at the "Winter White House" just down the road. Meanwhile, Angie Armstrong, wildlife wrangler extraordinaire, is called to the island to deal with a monster-sized Burmese python that has taken residency in a tree. But the President is focused on the disappearance of Kiki Pew. Never one to miss an opportunity to play to his base, he immediately declares her a victim of rampaging immigrant hordes. This, it

turns out, is far from the truth, which now lies in the middle of the road, where a bizarre discovery brings the First Lady's motorcade to a grinding halt. Irreverent, ingenious, and uproariously entertaining, Squeeze Me perfectly captures the absurdity of our times.
