Business Analysis and Valuation has been developed specifically for students undertaking accounting Valuation subjects. With a significant number of case studies exploring various issues in this field, including a running chapter example, it offers a practical and in-depth approach. This second edition of the Palepu text has been revitalised with all new Australian content in parts 1-3, making this edition predominantly local, while still retaining a selection of the much admired and rigorous Harvard case studies in part 4. Retaining the same author team, this new edition presents the field of valuation accounting in the Australian context in a clear, logical and thorough manner.

Now readers can learn how to conduct financial statement analysis most effectively by performing analyses on real-world companies. Wahlen/Baginski/Bradshaw's FINANCIAL REPORTING, FINANCIAL STATEMENT ANALYSIS, AND VALUATION, 9E provides a complete, balanced approach as the authors demonstrate how to integrate concepts from economics, finance, business strategy, accounting, and other business disciplines through the book's unique six-step process. Quick checks after each section ensure readers have mastered key insights. In addition, integrative and continuing cases highlight financial reporting in the familiar companies, including Starbucks and PepsiCo. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
