J. Simpson, who was wanted for the murders of his ex-wife and her friend, attempted to elude the Los Angeles Police Department in a low-speed chase, which was nationally televised and viewed by millions nationwide. This is complete story from conception through discontinuation in 1996, told by historian (and well-known "Ford guy") Paul McLaughlin utilizing his large collection of photographs, brochures, ads and other promotional material. In Indonesia (as in many other countries), these international agreements have encouraged the self-assertion of communities that had been oppressed and deprived of their land, especially during the New Order regime (1966-1998). More than 2,000 communities in Indonesia who define themselves as masyarakat adat or “ indigenous peoples ” had already joined the Indigenous Peoples ’ Alliance of the Archipelago ” (AMAN) by 2013. In their efforts to gain recognition and selfdetermination,

these communities are supported by international donors and international as well as national NGOs by means of development programmes.
