Casio's PRW3100Y-1 is from the family of Pro Trek. Here are some new color variations for the PRO TREK PRW-3100 Series of Triple Sensor models that pick up information about the ever changing environment around you.

Using a practical approach, the Manual of Veterinary Transfusion Medicine and Blood Banking provides veterinary practitioners with evidence-based guidelines to refer to at the clinical practice level. Provides evidence-based information on transfusion medicine and blood banking practices Presents sections on recipient screening, donor selection, blood collection and storage, and how to meet blood product demands Includes useful protocols for transfusions and blood banking relevant to clinical practice Incorporates the balanced perspectives of veterinarians and veterinary technicians Contains information pertaining to large, small, and exotic animals

The book discusses the underlying physical principles of piezoelectric materials, important properties of ferroelectric/piezoelectric materials used in today's transducer technology, and the principles used in transducer design. It provides examples of a wide range of applications of such materials along with the appertaining rationales. With contributions from distinguished researchers, this is a comprehensive reference on all the pertinent aspects of piezoelectric materials.

This essential resource provides quick access to the latest information for more than 75 clinical phenomena seen in critical care and is ideal for use in the clinical setting to plan nursing care. Each disorder includes a brief description of pathophysiology, assessment, diagnostic testing, collaborative management, nursing diagnoses, nursing interventions specific to those diagnoses, and patient teaching and rehabilitation. Its convenient outline format and portable size make it the perfect clinical companion. Features a consistent, easy-to-use outline format Portable size makes it a very practical clinical reference Covers more than 75 critical care conditions/disorders Includes the latest NANDA nursing diagnoses Includes new sections that cover obstetric emergencies, hypothyroidism, bioterrorism, and emerging infections, including CNS infections, such as the SARS, West Nile Virus, and the Avian Flu Contains a new appendix on pharmacology Features the most recent Nursing Intervention Classifications (NICs)

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.
