Amazon.com: Geisha, A Life

A Kyoto geisha describes her initiation into an okiya at the age of four, the intricate training that made up most of her education, her successful career, and the traditions surrounding the geisha culture. Reprint.

The extraordinary, bestselling memoir from Japan's foremost geisha. 'A glimpse into the exotic, mysterious, tinged-with-eroticism world of the almost mythical geisha' Val Hennessy, Daily Mail '[An] eloquent and innovative memoir' The Times 'I can identify the exact moment when things began to change. It was a cold winter afternoon. I had just turned three.' Emerging shyly from her hiding place, Mineko encounters Madam Oima, the formidable proprietress of a prolific geisha house in Gion. Madam Oima is mesmerised by the child's black hair and black eyes: she has found her successor. And so Mineko is gently, but firmly, prised away from her parents to embark on an extraordinary profession, of which she will become the best. But even if you are exquisitely beautiful and the darling of the okiya, the life of a geisha is one of gruelling demands. And Mineko must first contend with her bitterly jealous sister who is determined to sabotage her success. . . . Captivating and poignant, Geisha of Gion tells of Mineko's ascendancy to fame and her ultimate decision to leave the profession she found so constricting. After centuries of mystery Mineko is the only geisha to speak out. This is the true story she has long wanted to tell and the one that the West has long wanted to hear.

Geisha: A Life by Mineko Iwasaki—Google Books

"Captivating, minutely imagined . . . a novel that refuses to stay shut" ("Newsweek"), "Memoirs of a Geisha" is now released in a movie tie-in edition.

A literary sensation and runaway bestseller, this brilliant debut novel tells with seamless authenticity and exquisite lyricism the true confessions of one of Japan's most celebrated geisha. Nominated as one of America's best-loved novels by PBS's The Great American Read Speaking to us with the wisdom of age and in a voice at once haunting and startlingly immediate, Nitta Sayuri tells the story of her life as a geisha. It begins in a poor fishing village in 1929, when, as a nine-year-old girl with unusual blue-gray eyes, she is taken from her home and sold into slavery to a renowned geisha house. We witness her transformation as she learns the rigorous arts of the geisha: dance and music; wearing kimono, elaborate makeup, and hair; pouring sake to reveal just a touch of inner wrist; competing with a jealous rival for men's solicitude and the money that goes with it. In Memoirs of a Geisha, we enter a world where appearances are paramount; where a girl's virginity is auctioned to the highest bidder; where women are trained to beguile the most powerful men; and where love is scorned as illusion. It is a unique and triumphant work of fiction—at once romantic, erotic, suspenseful—and completely unforgettable.

NEW YORK TIMES BESTSELLER "[A] delectable double bio . . . Talk about Victoria's secret. . . . A fascinating portrait of a genuine love match, but one in which the partners dealt with surprisingly modern issues." —USA Today It was the most influential marriage of the nineteenth century—and one of history' s most enduring love stories. Traditional biographies tell us that Queen Victoria inherited the throne as a naïve teenager, when the British Empire was at the height of its power, and seemed doomed to find failure as a monarch and misery as a woman until she married her German cousin Albert and accepted him as her lord and master. Now renowned chronicler Gillian Gill turns this familiar story on its head, revealing a strong, feisty queen and a brilliant, fragile prince working together to build a family based on support, trust, and fidelity, qualities neither had seen much of as children. The love affair that emerges is far more captivating, complex, and relevant than that depicted in any previous account. The epic relationship began poorly. The cousins first met as teenagers for a few brief, awkward, chaperoned weeks in 1836. At seventeen, charming rather than beautiful, Victoria already "showed signs of wanting her own way." Albert, the boy who had been groomed for her since birth, was chubby, self-absorbed, and showed no interest in girls, let alone this princess. So when they met again in 1839 as queen and presumed prince-consort-to-be, neither had particularly high hopes. But the queen was delighted to discover a grown man, refined, accomplished, and whiskered. "Albert is beautiful!" Victoria wrote, and she proposed just three days later. As Gill reveals, Victoria and Albert entered their marriage longing for intimate companionship, yet each was determined to be the ruler. This dynamic would continue through the years—each spouse, headstrong and impassioned, eager to lead the marriage on his or her own terms. For two decades, Victoria and Albert engaged in a very public contest for dominance. Against all odds, the marriage succeeded, but it was always a work in progress. And in the end, it was Albert's early death that set the Queen free to create the myth of her marriage as a peaceful idyll and her husband as Galahad, pure and perfect. As Gill shows, the marriage of Victoria and Albert was great not because it was perfect but because it was passionate and complicated. Wonderfully nuanced, surprising, often acerbic—and informed by revealing excerpts from the pair's journals and letters—We Two is a revolutionary portrait of a queen and her prince, a fascinating modern perspective on a couple who have become a legend. BONUS: This edition contains a reader's guide.

From the cobbled streets where Komomo walks in her elaborate dress to the inner sanctums of her dressing room, these pages offer a rare look at a contemporary teen's journey to becoming a geisha, photographed in full color by Naoyuki Ogino. This is the story of a contemporary Japanese teenager who, in a search for an identity, became fascinated with the world of geisha, and discovered in herself the will and the commitment to embark on the many years of apprenticeship necessary to become one. It is also the story of a young Japanese photographer who grew up

Geisha: A Life by Mineko Iwasaki—Google Books

The author, an American anthropologist, describes her experiences during the year she spent as a Japanese geisha, and looks at the role of women, and geishas, in modern Japan

No woman in the three-hundred-year history of the karyukai has ever come forward in public to tell her story -- until now."Many say I was the best geisha of my generation," writes Mineko Iwasaki. "And yet, it was a life that I found too constricting to continue. And one that I ultimately had to leave." Trained to become a geisha from the age of five, Iwasaki would live among the other "women of art" in Kyoto's Gion Kobu district and practice the ancient customs of Japanese entertainment. She was loved by kings, princes, military heroes, and wealthy statesmen alike. But even though she became one of the most prized geishas in Japan's history, Iwasaki wanted more: her own life. And by the time she retired at age twenty-nine, Iwasaki was finally on her way toward a new beginning. Geisha, a Life is her story -- at times heartbreaking, always awe-inspiring, and totally true.

Geisha: A Life by Mineko Iwasaki—Google Books

Butterflies of the Night is an American woman's inside view of Japan's lively and powerful nightclub world. Includes interviews with women in both high-end clubs and the sleazy end of the business, as well as comments from customers of geisha houses as well as sex clubs.

Oceans and decades apart, two women are inextricably bound by the secrets between them. Japan, 1957. Seventeen-year-old Naoko Nakamura's prearranged marriage to the son of her father's business associate would secure her family's status in their traditional Japanese community, but Naoko has fallen for another man—an American sailor, a gaijin—and to marry him would bring great shame upon her entire family. When it's learned Naoko carries the sailor's child, she's cast out in disgrace and forced to make unimaginable choices with consequences that will ripple across generations. America, present day. Tori Kovac, caring for her dying father, finds a letter containing a shocking revelation—one that calls into question everything she understood about him, her family and herself. Setting out to learn the truth behind the letter, Tori's journey leads her halfway around the world to a remote seaside village in Japan, where she must confront the demons of the past to pave a way for redemption. In breathtaking prose and inspired by true stories from a devastating and little-known era in Japanese and American history, The Woman in the White Kimono illuminates a searing portrait of one woman torn between her culture and her heart, and another woman on a journey to discover the true meaning of home.
