A pictorial teaching resource based on the content of Textbooks I and II of the series Genki: an integrated course in elementary Japanese.

Learning Hiragana and Katakana is a systematic and comprehensive Japanese workbook that is perfect for self study or in a classroom setting. Written Japanese combines three different types of characters: the Chinese characters known as kanji, and two Japanese sets of phonetic letters, hiragana and katakana, known collectively as kana, that must be mastered before the Japanese kanji can be learned. Learning Japanese Hiragana and Katakana provides beginning-level students of Japanese a thorough grounding in the basic hiragana and katakana phonetic symbols or syllabaries. A comprehensive introduction presents their basic function, origin, pronunciation and usage. The main body of the book is devoted to presenting the 92 hira and kata characters along with their variations, giving step-by-step guidelines on how to write each character neatly in the correct stroke order, with plentiful practice spaces provided for handwriting practice. This Japanese workbook includes: Systematic and comprehensive coverage of the two Japanese kana systems. Ample provision for Japanese kana practice, review, and self-testing at several levels Detailed reference section explaining the origin and function of kana, and the various kana combinations. Access to online Japanese audio files to aid in correct pronunciation. Helpful additional information for language students accustomed to romanized Japanese. Vocabulary selected for usefulness and cultural relevance. About this new edition: The new third edition has been expanded and revised to include many additional reading and writing exercises. Accompanying online recordings demonstrate the correct pronunciation of all the characters, vocabulary, and sentences in the book.

Cheng & Tsui's best-loved Chinese textbook series is new, revised, and better than ever!

This Notebook\workbook is a perfect way for adults, children, students, language learners to practice and improve handwriting skills. blank workbook will help them study and practice writing of kanji, hiragana and katakana. This carefully designed Kanji workbook has 110 pages of genkouyoushi paper (????, "manuscript paper") for writing practice or making notes in Japanese. Japanese Composition Notebook for Japanese Writing and practice(Kanji Characters and Kana Scripts)

Grammatical terms - Characteristics of Japanese grammar - Basic conjugations - Verbs - Connection forms of important expressions - Numerals and counters - Compound words.

This is a user-friendly guide to learning Japanese Katakana and includes a set of 46 flash cards Japanese Katakana for Beginners makes learning of beginner kana fast and effective by using memorable picture mnemonics, along with clear explanations, examples and lots of fun exercises—a method that has helped thousands of students lean katakana successfully in the United States and Japan. Picture mnemonics enhance memory by associating the shape and sound of each Japanese kana character with combinations of images and English words already familiar to students. This book is organized into three main sections: The first introduces the basic 46 katakana characters along with writing tips and opportunities to practice writing them. The secondteachers the usage rules that allow students to write all Japanese sounds, providing more opportunities for practice. The third strengthens students' skills through a wide range of exercises (word searches, crossword puzzles, fill in the blanks, visual discrimination, timed recognition quizzes, etc) designed to both increase the knowledge of the Japanese language and reinforce newly acquired writing skills. A set of flash cards printed on perforated cardstock and a list of suggested flash card activities, are also provided at the end of the book. Each of these cards introduces a katakana character along with the picture mnemonic that helps to recognize and remember it.

Students of Japanese are familiar with the term "particle," and realize that they, like English prepositions, require a special effort to master. This handbook provides all the information one would need on these tricky units of grammar. All About Particles covers more than 70 particles those that are used regularly as well as those used less frequently in more than 200 uses. The book can be approached as a guiding textbook and studied from beginning to end. It is as a reference book, however, that All About Particles shines. It is light and easy to carry, slim enough to fit into the corner of a shoulder bag, and concise enough to quickly clarify particle-related questions. It is a priceless tool for any serious student of Japanese. In its previous incarnation as a part of the Power Japanese Series, ISBN 978-0-87011-954-5, and sold more than 40,000 copies worldwide.

Dictionary of Intermediate Japanese Grammar arranged in dictionary format and accompanied by rich example sentences that will help students of this book be able to acquire the necessary knowledge to master intermediate Japanese

"The Japanese language uses a set of symbols called 'hiragana' (to spell Japanese words), 'katakana' (to spell foreign words), and 'kanji' (to represent entire words or names). Over the course of BOOK 1, we will teach you groups of hiragana piece-by-piece to gradually build up your understanding and familiarity."--Introduction.
