The ultimate, up-to-the-minute digital photography handbook—from the authors of the bestselling Basic Book of Photography. The Basic Book of Digital Photography is the definitive guide to the expansive world of digital photography from two of the field's most established authorities. The Grimms' classic guide, The Basic Book of Photography, has sold over 400,000 copies since the first edition was published in 1974. Now they are steering photographers through the new era of digital imaging. This comprehensive handbook covers how to compose the best shots with cameras from point-and-shoot to the increasingly popular SLR (single lens reflex) models—and even cell phone cameras— and takes readers through the steps to improve, display, and preserve their images. The guide includes over 400 photos and illustrations, an extensive glossary and addresses everything from choosing a digital camera to storing files and printing photos. An indispensable accessory for amateur shutterbugs or dedicated professionals, this is the one handbook no digital photographer will want to do without.

Micro Saint Sharp is a general purpose, discrete-event simulation software tool. Micro Saint Sharp's intuitive graphical user interface and flow chart approach to modeling make it a tool that can be used by generalists as well as simulation experts. Micro Saint Sharp has proven to be an invaluable asset in both small businesses and Fortune 500 companies and in many areas including the military, human factors, health care, manufacturing, and the service industry. The user manual has been updated for software version 3.8. Some new features are the ability to add swim lanes to any network background, data exchange capability with the UML/SysML tool MagicDraw, and a updated version of the built-in OptQuest optimization.

Launch your career in medical assisting with Today's Medical Assistant, Clinical & Administrative Procedures, 3rd Edition! Bringing together the clinical know-how of Kathy Bonewit-West, the administrative expertise of Sue Hunt, and the anatomy and physiology knowledge of Edith Applegate, this hands-on guide uses easy-to-follow language and detailed visuals to walk readers through all of the medical knowledge, procedures, and skills needed for success in today's fast-paced medical office. Not only does this new edition incorporate the latest standards and competencies throughout all of its content and resources, but it also includes an incredibly wide assortment of engaging learning tools and activities that help readers fully understand and demonstrate those competencies. Full-color design makes the book visually stimulating.

InfoWorld is targeted to Senior IT professionals. Content is segmented into Channels and Topic Centers. InfoWorld also celebrates people, companies, and projects.

"The book is highly readable, informative, thought provoking, and educational.At every stage, Walker challenges the reader to move away from conventional supply chain thinking to a broader-view, highly concise approach that focuses on the organization's objectives. The book will help you visualize a supply network and develop a blueprint for your

Ready to move to the Mac? This incomparable guide from New York Times columnist and Missing Manuals creator David Pogue helps you make a smooth transition to OS X Mavericks, a beautiful machine with a thoroughly reliable system. Whether you're using Windows XP, Windows 7, or Windows 8, we've got you covered --

QuickBooks 2010 has impressive features, like financial and tax reporting, invoicing, payroll, time and mileage tracking, and online banking. So how do you avoid spending more time learning the software than using it? This Missing Manual takes you beyond QuickBooks' help resources: you not only learn how the program works, but why and when to use specific features. You also get basic accounting advice so that everything makes sense. QuickBooks can handle many of the financial tasks small companies face. QuickBooks 2010: The Missing Manual helps you handle QuickBooks with easy step-by-step instructions. Set up your QuickBooks files and preferences to fit your company Track inventory, control spending, run a payroll, and manage income Follow the money all the way from customer invoices to year-end tasks Export key snapshots in the convenient new Report Center Streamline your workflow with the new Online Banking Center Build and monitor budgets to keep your company financially fit Share information with your accountant quickly and easily QuickBooks 2010: The Missing Manual covers only QuickBooks 2010 for Windows.

International Excellence Body, Mind, Spirit Book Awards Winner: Self-help Women spend so much of life nurturing and giving to others that when they find themselves alone—because of an empty nest, the end of a marriage, or the death of a partner—they often struggle with feeling purposeless. This Way Up: Seven Tools for Unleashing Your Creative Self and Transforming Your Life provides a step-by-step way out of this sense of loss and into a life filled with enthusiasm, creativity, and joy. This story of healing centers on the essential wisdom of introspection and on the importance of following one's dreams. Join the protagonist, Katya, a widow whose two sons have recently left home, as she learns seven tools for uncovering her best self: visualization, heart-centered goal setting, positive focus, meditation on love; meditation on forgiveness, gratitude, and taking action on inspiration. Katya's experience highlights these insights in an easily digestible, highly relatable format that readers can systematically apply to their own circumstances as they work through This Way Up's twelve weeks' worth of day-by-day journaling exercises, thought-provoking questions, and reader support. For any woman who yearns to lead a fuller life but doesn't know how to begin, this book is an ideal starting point.
