But that was years ago, before his Army career ended in dishonor, shattering his reputation. Driven from his homeland, he is now a caretaker on the exclusive resort island of Martha's Vineyard, looking after the vacation homes of the rich and powerful. One harsh winter, faced with no other choice, he secretly moves his family into the house of one of his clients, an African-American Senator. Here, his wife and daughter are happy, and he feels safe for the first time in ages. But Ranjit's idyll is shattered when mysterious men break into the house. Pursued and hunted, Ranjit is forced to enter the Senator's shadowy world, and his only ally is Anna, the Senator's beautiful wife, who has secrets of her own. Together, they uncover a trail of deception that leads from the calm shores of the Vineyard to countries half a world away. And when his investigation stirs up long forgotten events, the caretaker must finally face the one careless decision that ruined his life- and forced him to leave India. A gripping tale of hidden histories, political intrigue and dangerous attractions, A. X. Ahmad's The Caretaker introduces a new hero for our times: an immigrant caught between two worlds and a man caught between two loves.

In a world increasingly indifferent to Christian truth, followers of Christ need to be equipped to communicate with those who do not speak their language or accept their source of authority. Gregory Koukl demonstrates how to get in the driver's seat, keeping any conversation moving with thoughtful, artful diplomacy. You'll learn how to maneuver comfortably and graciously through the minefields, stop challengers in their tracks, turn the tables and--most importantly---get people thinking about Jesus. Soon, your conversations will look more like diplomacy than D-Day. Drawing on extensive experience defending Christianity in the public square, Koukl shows you how to: - Initiate conversations effortlessly - Present the truth clearly, cleverly, and persuasively - Graciously and effectively expose faulty thinking - Skillfully manage the details of dialogue - Maintain an engaging, disarming style even under attack Tactics provides the game plan for communicating the compelling truth about Christianity with confidence and grace.

Described as an urban sociology, an ethnography, a classic of oral history - and a work of poetry in motion - it tells Herculean tales of the struggle for survival and dignity among Greater Cairo's 80,000 cab drivers.

When Father Paul Michel, a missionary on the desperately poor Caribbean island of Ganae, plucks a black child from abject poverty, he does not expect the boy to become a charismatic Catholic priest and outspoken revolutionary. Jeannot, as Father Paul calls him, is a messianic orator who bravely urges his black brethren to rise against their oppressors. At odds with the Vatican in Rome, he is expelled from his order only to emerge as the first democratically elected president of the volatile Ganae. Antagonising the mulatto elite and the ruling military junta, Jeannot discovers his enemies will stop at nothing - assassination, arson, brutal repression - to destroy him. Even Father Paul, who tells this story, is unsure whether Jeannot is saint or tyrant. In this deeply unsettling novel, Brian Moore weighs immortal souls against mortal misery.
