The Power of Your Truth in the Golden Age, by author Angela Mia White, makes you feel as if you're entering a new world because you are. It holds a high vibration for your soul and new earth, and you'll feel it. It's come at this time to change the energy on the planet. White shares how this planet has been shifting rapidly into a new consciousness. This is the passageway to enter a new era, the golden age. The ways of old earth no longer work. As humans, she tells how we must leave the old ways behind and learn to live in and dance with the new energies into the new ways. We need to learn to heal ourselves for good. We need to learn to love ourselves, have peace within, stand in the power of our own truth, and accept we are the abundance of our own life. We have come out of the dark ages, and we are entering a new age of light, the golden age, and now recently, the golden age of Aquarius.
