The Great Gatsby is a 1925 novel written by American author F. Scott Fitzgerald that follows a cast of characters living in the fictional town of West and East Egg on prosperous Long Island in the summer of 1922. The story primarily concerns the young and mysterious millionaire Jay Gatsby and his quixotic passion and obsession for the beautiful former debutante Daisy Buchanan. The Great Gatsby explores themes of decadence, idealism, resistance to change, social upheaval, and excess, creating a portrait of the Jazz Age or the Roaring Twenties that has been described as a cautionary tale regarding the American Dream. Set on the prosperous Long Island of 1922, The Great Gatsby provides a critical social history of America during the Roaring Twenties within its fictional narrative. That era, known for profound economic prosperity, the development of jazz music flapper culture, new technologies in communication (motion pictures, broadcast radio, recorded music) forging a genuine mass culture; and bootlegging, along with other criminal activity, is plausibly depicted in Fitzgerald's novel. Fitzgerald uses many of these societal developments of the 1920s that were to build Gatsby's stories from many of the simple details like automobiles to broader themes like Fitzgerald's discreet allusions to the organized crime culture which was the source of Gatsby's fortune. Fitzgerald depicts the garish society of the Roaring Twenties by placing the book's plotline within the historical context of the era.

Jay Gatsby's lavish lifestyle in a mansion on Long Island's gold coast encapsulates the spirit, excitement and violence of the era Fitzgerald named 'sthe Jazz Age'. Impelled by his love for Daisy Buchanan, Gatsby seeks nothing less than to recapture the moment five years earlier when his best and brightest dreams - his 'sunutterable visions' - seemed to be incarnated in her kiss. A moving portrayal of the power of romantic imagination, as well as the pathos and courage entailed in the pursuit of an unattainable dream, The Great Gatsby is a classic fiction of hope and disillusion. (Quelle: Buchdeckel verso).

A collection of "commercial short stories F. Scott Fitzgerald published before he began to work on what would become his great American novel, The Great Gatsby."--Back cover.

Provides students of American Literature with introductory critical guides to the great works of American fiction.

A sumptuously illustrated adaptation casts the powerful imagery of F. Scott Fitzgerald ' s great American novel in a vivid new format. From the green light across the bay to the billboard with spectaclaed eyes, F. Scott Fitzgerald ' s 1925 American masterpiece roars to life in K. Woodman-Maynard ' s exquisite graphic novel—among the first adaptations of the book in this genre. Painted in lush watercolors, the inventive interpretation emphasizes both the extravagance and mystery of the characters, as well as the fluidity of Nick Carraway ' s unreliable narration. Excerpts from the original text wend through the illustrations, and imagery and metaphors are taken to literal, and often whimsical, extremes, such as when a beautiful partygoer blooms into an orchid and Daisy Buchanan pushes Gatsby across the sky on a cloud. This faithful yet modern adaptation will appeal to fans with deep knowledge of the classic, while the graphic novel format makes it an ideal teaching tool to engage students. With its timeless critique of class, power, and obsession, The Great Gatsby Graphic Novel captures the energy of an era and the enduring resonance of one of the world ' s most beloved books.

Critically acclaimed novelist Michael Farris Smith pulls Nick Carraway out of the shadows and into the spotlight in this "masterful" look into his life before Gatsby (Richard Russo, Pulitzer Prize-winning author of EMPIRE FALLS and CHANCES ARE...) Before Nick Carraway moved to West Egg and into Gatsby's periphery, he was at the center of a very different story—one taking place along the trenches and deep within the tunnels of World War I. Floundering in the wake of the destruction he witnessed firsthand, Nick delays his return home, hoping to escape the questions he cannot answer about the horrors of war. Instead, he embarks on a transcontinental redemptive journey that takes him from a whirlwind Paris romance—doomed from the very beginning—to the dizzying frenzy of New Orleans, rife with its own flavor of debauchery and violence. An epic portrait of a truly singular era and a sweeping, romantic story of self-discovery, this rich and imaginative novel breathes new life into a character that many know but few have pondered deeply. Charged with enough alcohol, heartbreak, and profound yearning to paralyze even the heartiest of golden age scribes, Nick reveals the man behind the narrator who has captivated readers for decades.

A Study Guide for F.Scott Fitzgerald's "The Great Gatsby," excerpted from Gale's acclaimed Novels for Students.This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Novels for Students for all of your research needs.

Kirkus (STARRED review) "Churchwell... has written an excellent book... she ' s earned the right to play on [Fitzgerald's] court. Prodigious research and fierce affection illumine every remarkable page. " The autumn of 1922 found F. Scott Fitzgerald at the height of his fame, days from turning twenty-six years old, and returning to New York for the publication of his fourth book, Tales of the Jazz Age. A spokesman for America ' s carefree younger generation, Fitzgerald found a home in the glamorous and reckless streets of New York. Here, in the final incredible months of 1922, Scott and Zelda Fitzgerald drank and quarreled and partied amid financial scandals, literary milestones, car crashes, and celebrity disgraces. Yet the Fitzgeralds ' triumphant return to New York coincided with another event: the discovery of a brutal double murder in nearby New Jersey, a crime made all the more horrible by the farce of a police investigation—which failed to accomplish anything beyond generating enormous publicity for the newfound celebrity participants. Proclaimed the " crime of the decade " even as its proceedings dragged on for years, the Mills-Hall murder has been wholly forgotten today. But the enormous impact of this bizarre crime can still be felt in The Great Gatsby, a novel Fitzgerald began planning that autumn of 1922 and whose plot he ultimately set within that fateful year. Careless People is a unique literary investigation: a gripping double narrative that combines a forensic search for clues to an unsolved crime and a quest for the roots of America ' s best loved novel. Overturning much of the received wisdom of the period, Careless People blends biography and history with lost newspaper accounts, letters, and newly discovered archival materials. With great wit and insight, acclaimed scholar of American literature Sarah Churchwell reconstructs the events of that pivotal autumn, revealing in the process new ways of thinking about Fitzgerald ' s masterpiece. Interweaving the biographical story of the Fitzgeralds with the unfolding investigation into the murder of Hall and Mills, Careless People is a thrilling combination of literary history and murder mystery, a mesmerizing journey into the dark heart of Jazz Age America.

A critical introduction to the classic Fitzgerald novel, covering such elements as characterization, plot, symbolism, and setting
