And *ALEX* explains what happened to Lena's first love after the events of *DELIRIUM*, as well as the dark past that he has tried to forget.

In the world of *Delirium*, love is a disease. And like all eighteen-year-olds, Lena and Hana must take the cure. At the start of their last summer of freedom, they were the closest of friends. Until Hana made a decision that tore them apart . . . In *Delirium*, we heard from Lena. Now, Hana gets to tell her side of the story. And nothing is what we first thought. *Hana* is a powerful, moving and beautifully told original eBook short story, with a shocking twist that will leave you with your heart in your mouth.

A *New York Times*, *USA Today*, and *Publishers Weekly* bestseller, this exciting finale to Lauren Oliver's acclaimed *Delirium* trilogy is a riveting blend of nonstop action and forbidden romance in a dystopian United States. With lyrical writing, Lauren Oliver seamlessly interweaves the peril that Lena faces with the inner tumult she experiences after the reappearance of her first love, Alex, the boy she thought was dead. Named an Amazon Best Book of the Year, this sophisticated and wide-ranging novel brings the *New York Times* bestselling *Delirium* trilogy to a thrilling conclusion. Now an active member of the resistance, Lena has

transformed. The nascent rebellion that was underway in Pandemonium has ignited into an all-out revolution in Requiem, and Lena is at the center of the fight. After rescuing Julian from a death sentence, Lena and her friends fled to the Wilds. But the Wilds are no longer a safe haven. Pockets of rebellion have opened throughout the country, and the government cannot deny the existence of Invalids. Regulators infiltrate the borderlands to stamp out the rebels. As Lena navigates the increasingly dangerous terrain of the Wilds, her best friend, Hana, lives a safe, loveless life in Portland as the fiancé of the young mayor. Requiem is told from both Lena and Hana's points of view. They live side by side in a world that divides them until, at last, their stories converge.

Lena's mother, Annabel, has always been a mystery—a ghost in Lena's past. Until now. Discover her secrets in Lauren Oliver's brilliant original digital story set in the world of New York Times bestsellers *Delirium* and *Pandemonium*. Lena Halloway's mother, Annabel, supposedly committed suicide when Lena was only six years old. That's the lie that Lena grew up believing, but the truth is very different. As a rebellious teenager, Annabel ran away from home and straight into the man she knew she was destined to marry. The world was different then—the regulations not as stringent, the cure only a decade old. Fast forward to the present, and Annabel is consigned to a dirty prison cell, where she nurtures her hope of escape and scratches one word over and over into the walls: Love. But Annabel, like Lena, is a fighter. Through chapters that alternate between her past and present, Annabel reveals the story behind her failed cures, her marriage, the births of her children, her imprisonment, and, ultimately, her daring escape.

Ninety-five days, and then I'll be safe. I wonder whether the procedure will hurt. I want to get it over with. It's hard to be patient. It's hard not to be afraid while I'm still uncured, though so far the deliria hasn't touched

me yet. Still, I worry. They say that in the old days, love drove people to madness. The deadliest of all deadly things: It kills you both when you have it and when you don't. Lauren Oliver astonished readers with her stunning debut, *Before I Fall*. In a starred review, *Publishers Weekly* called it "raw, emotional, and, at times, beautiful. An end as brave as it is heartbreaking." Her much-awaited second novel fulfills her promise as an exceptionally talented and versatile writer.

This captivating digital original story set in the world of Lauren Oliver's New York Times bestselling *Delirium* series focuses on Alex, Lena's first love. When Alex sacrificed himself to save Lena, he thought he was committing himself to certain death, but what he got was almost worse. Imprisoned and tortured by the guards, his mind forces him to relive a past he would rather forget. But in the dark he grows stronger. Both hopeful and terrified, he fights to find his way back to her and the love he still clings to. In this digital story that will appeal to fans of *Delirium* and welcome new admirers to its world, readers will learn of Alex's time after the events of *Delirium*, as well as the dark past that he has tried to forget.

This collection contains the complete text of the three bestselling *Delirium* novels plus three short novellas about characters in the *Delirium* world. Lauren Oliver's powerful New York Times bestselling dystopian trilogy presents a world as terrifying as George Orwell's *1984* and a romance as true as *Romeo & Juliet*. *Delirium*: In a dystopian world where love is declared the deadliest of all diseases, one's only hope is to be cured. Lena is 95 days away from getting her cure when she does the unthinkable. She falls in love. *Pandemonium*: The explosive second book of the *Delirium* trilogy brings us a new Lena: strong, fierce, and defiant. But the chaos of a loveless world will lead her into the fight of her life. *Requiem*: This exciting finale to Lauren Oliver's New York Times bestselling *Delirium* trilogy is a riveting blend of nonstop action and

forbidden romance in a dystopian United States. The Hana, Annabel, and Raven novellas each center around a fascinating and complex character who adds important information to the series and gives it greater depth.

This captivating 50-page digital-original story set in the world of Lauren Oliver's New York Times bestselling Delirium series focuses on Raven, the fiery leader of a rebel group in the Wilds. As a teenager, Raven made the split-second decision to flee across the border to the Wilds, compelled to save an abandoned newborn—a baby girl left for dead and already blue from the cold. When she and the baby are taken in by a band of rebels, Raven finds herself an outsider within a tight-knit group. The only other newcomer is an untrustworthy boy known as the Thief until he finally earns himself a new name: Tack. Now she and Tack are inseparable, committed to each other, the fledgling rebellion, and a future together. But as they both take center stage in the fight, Raven must decide whether the dangers of the revolution are worth risking her dreams of a peaceful life with Tack. As her story hurtles back and forth between past and present, Raven transforms from a scared girl newly arrived in the Wilds to the tough leader who helps Lena save former Deliria-Free poster boy Julian Fineman from a death sentence. Whatever the original mission may have been, Raven abides by a conviction that she believes to her core: You always return for the people you love. By turns surprising, revelatory, and poignant, Raven's story enriches the Delirium world and resonates with a voice that is as vulnerable as it is strong.

From Lauren Oliver, New York Times bestselling author of the Delirium trilogy, comes a collection of three outstanding standalone teen novels. Before I Fall: With this stunning debut novel, Lauren Oliver emerged as one of today's foremost authors of young adult fiction. After she dies in a car crash, Samantha relives the day

of her death seven times, trying desperately to change the outcome, until she discovers that the way to save herself might be to save someone else. Named to numerous state reading lists, this novel was also recognized as a Best Book of the Year by The Daily Beast, NPR, and Publishers Weekly, among others. *Panic*: In this contemporary teen novel, a group of teens enters a high-stakes game with the hope of winning a chance at a better life. This is an extraordinary story of fear, friendship, courage, and hope that Kirkus Reviews says "will have readers up until the wee hours," E. Lockhart, author of *We Were Liars*, calls this novel "a thrill a minute." *Vanishing Girls*: Lauren Oliver's latest novel delivers a gripping story about two sisters inexorably altered by a terrible accident. Dara and Nick used to be inseparable, but that was before the accident that left Dara's beautiful face scarred and the two sisters totally estranged. When Dara vanishes on her birthday, Nick thinks Dara is just playing around. But another girl has vanished, too, and Nick becomes increasingly convinced that the two disappearances are linked.

A perfect companion to Lauren Oliver's bestselling *Delirium* trilogy, *The Book of Shhh* expands on excerpts included in the original series. Lauren Oliver delves deeper into the world created in the *Delirium* trilogy and provides fans with an in-depth look at the terrifying society that her characters live in. This free novella includes case studies, exercises, invocations, quotes, proverbs, and detailed information on *amor deliria nervosa*. *The Book of Shhh*, or the Safety, Health, and Happiness Handbook, describes the perils of *amor deliria nervosa*. In today's society, thanks to the cure and its enforcement, our citizens are more productive and committed to their jobs, political organizations, and social impact than ever before.
