It is a collection of vignettes that go into the "heart and minds" of select G.I. Joe and Cobra members. First, a warning--or, for some for whom "Silent Interlude" is not the Holy Grail (it might be my favorite issue)--a sigh of relief--there is no Snake Eyes, Storm Shadow, Scarlett, Jinx, Zartan, or any other ninja warrior herein.

Collects eight stories featuring the special operations team known as G.I. Joe and their adventures battling the evil organization COBRA.

In the early morning hours of June 6, tens of thousands of boys from the shores of Maine, the rivers of Mississippi, and the lakes of Minnesota were taking a boat ride that would go down in history. With the ocean spray in their faces and hearts practically beating out of their chests, American G.I.s peers through the mist and saw the beaches of France. The Allied invasion of Hitler's Europe was on! A skinny kid from Philly checked his rifle for the umpteenth time and swallowed hard. A strip of beach codenamed Utah lay just ahead.... The 1944 D-Day landings preserved freedom all over the world and affected countless individual lives including G.I. Joe and his wife, Lillie. After the war, G.I. Joe and Lillie settled into a life that included two children. Old wounds, though, never quite let G.I. Joe leave France. Nightmares and crippling injuries left him with only one true friend, but she was all he'd ever need. Lillie embarked on a decades-long love affair, from the moment she saw that skinny boy from Philly in an army hospital. Five days of courtship and 55 years of marriage strengthened by faith saw to that. Lillie prayed daily for her husband and children in the difficult years ahead. Together, they made it all the way home. In Lillie's America, it was sacrifice that preserved

cherished freedoms, and loyalty kept families united and strong. Lillie's steadfast faith and heartfelt devotion is a lesson for our time. This story of patriotism, bravery abroad and at home, and most of all, deep commitment, sets in a gold frame the very essence of America. The story of G.I. Joe and Lillie helps us all remember that true love never, ever dies.

Fright-master Steve Niles continues the all-new 30 Days of Night series. As Alice Blood debates her future with the FBI, a new threat from the North comes to America. But as word of a Barrow Massacre reaches Los Angeles, Agent Blood knows she can no longer stay away from her duty. Something wicked is coming her way, and all the agents of Project Red will be unable to stem the bloody tide.
