Touchstone, together with Viewpoint, is a six-level English program based on research from the Cambridge English Corpus. Touchstone uses a corpus-informed syllabus ensuring students are learning the language that people really use. Activities include a strong focus on inductive learning, personalized practice, and encouraging learner autonomy. Student's Book, Level 4A includes Units 1-6 of the Level 4 Student's Book and is at the intermediate CEFR level (B1-B2).

Technical English Level 1 covers the core language and skills that students need to communicate successfully in all technical and industrial specifications.

Combines systematic training in exam techniques and thorough development of advanced level language skills.

Teach foreign language effectively with TEACHER'S HANDBOOK: CONTEXTUALIZED LANGUAGE INSTRUCTION! Designed to prepare you to teach foreign language, this fifth edition handbook incorporates the Standards for Foreign Language Learning in the 21st Century, recently refreshed as World-Readiness Standards for Learning Languages. It provides a practical framework for integrating the Five C's and ACTFL-NCSSFL Can-Do Statements into foreign language teaching, as well as case studies of beginning teachers as they learn to navigate the complexity of being on the other side of the desk. Mastering the material is easy with examples of communication in authentic settings, thoughtful case studies, extensive appendices, and a text-specific website with links to teacher resources and streaming video of standards-based instruction. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Cambridge English for Scientists is a short course (40-60 hours) for student and professional scientists.

In the Writing & Speaking Assessment Booklet there are 12 sample answers for the Writing paper (one to correspond to each unit of the Student's Book), written by real FCE students. For each sample answer, there are notes that explain what students need to do in the task, and how the answer would be assessed by a Cambridge ESOL examiner. This booklet also includes a DVD of real FCE students taking the

Speaking test, with comments from experienced examiners, so you can see exactly how this part of the test works, and understand how to accurately assess your students. The material on the DVD is supported with photocopiable worksheets, useful phrases, tips and examiner's questions in the booklet. The Using a dictionary for exams booklet is full of ideas for using dictionaries to improve your students' language skills and performance in the exam. These ideas are followed by photocopiable worksheets so your students can put what they've learnt into practice. This booklet has been updated to reflect changes in the new Student's Book. In the Teacher's Book, there are 12 Unit and four Progress Tests, all with answer keys. The tests are photocopiable for use in class.

A supportive course that helps students of all abilities build confidence through graded practice. The flexible package makes it ideal for mixed-ability classes, and varying teaching loads. English Plus develops students' communication skills through a structured and methodical approach, helping students to achieve their individual learning outcomes in every lesson. The Teacher's Book provides extensive methodological support, comprehensive teaching notes, and extra materials for use in class
